### Our Products are Easy-to-Use and Guarantee Accuracy

#### Multiple import options to save time

Transfer vital personal data from last year's tax return, including information required for IRS e-file. Plus, minimize errors by importing 1099s, W-2s, and more.

#### Import from TurboTax® or H&R Block®

TaxAct can import data from PDF files of 1040 returns prepared by TurboTax® and H&R Block®.

#### Easily find all your credits and deductions

Keep more of your money with itemized deductions (Schedule A) with TaxAct Premier. All the forms and features you need are included, so you get your guaranteed maximum refund.

#### Easily import & record your capital gains

Quickly import all of your stock data or use Stock Assistant's quick entry tools. You'll save time, minimize errors, and get a final summary of your investment income.

### Quick, convenient filing with rental property income

Answer easy, relevant questions to report rental property income (Schedule E), and let TaxAct do the rest to guarantee your maximum refund.

### Turn your donations into tax savings

Donation Assistant® tracks your charitable donations and provides audit-backed values to eliminate guess work and maximize your tax deduction.

### Finish your state return in minutes

Your federal information automatically flows into your state tax forms so you can finish and file your state return in minutes!

### Bookmarks

Navigate your return on your terms. Simply Bookmark a question to return to it at any time.

### Free e-file for fast, accurate return filing & confirmation

E-file for free and get notification via email and/or text as soon as your return has been processed by the state.

### Best-in-Class Security

We utilize state-of-the-art technology and monitoring processes so you can be confident your information is safe.

### Real-Time Refund Status

See how your entries impact your refund or amount due in real time. Your refund amount updates as you prepare your return so you can always see that you're getting your guaranteed maximum refund.

### Step-by-step guidance for maximum refund

Your return is guaranteed 100% accurate, and you'll get your maximum refund the fastest way possible with e-file.

### TaxAct Alerts
