DISCOVER THE BEAUTY OF

Exceptional Senior Care

SKILLED NURSING | REHABILITATION | RESPITE

Skilled Nursing

Each resident at our health center has a personalized care plan, created in partnership with physicians and family. Lifestyle preferences are yours to enjoy. When you start your day, activities you do, who visits you and when – it's always your choice.

What to expect:

- Private and semi-private suites
- Personalized attention by licensed and certified staff
- Three chef-prepared meals served daily
- Resort-style concierge services
- Enjoyable outings and activities
- Beauty and barber services available

Rehabilitation Services

Our best-in-class rehab services boast lower-than-industry rehospitalization rates after an injury, surgery or illness. You'll receive support from professional therapists under a physician-ordered plan, so you can get back to being your best self, fast.

What to expect:

- Physical, occupational and speech therapies
- Medication management
- Inpatient or outpatient arrangements
- State-of-the-art equipment
- A holistic approach that enhances quality of life
- Low staff-to-patient ratio for attentive, efficient recovery
- An array of fitness and recreational activities

Respite Services

When a caregiver needs a break we provide essential support for guests plus peace of mind for all. A warm environment will make your loved one feel cared for and comfortable, no matter how long the stay.

What to expect:

- Fully furnished private studio suites
- 24/7 licensed staff and exceptional care
- Three chef-prepared meals served daily
- Regular housekeeping for a pristine living environment
- Flexible short-term and extended stays tailored to individual needs
- A calendar of enjoyable programs
- Transportation for medical appointments and community outings
