Invoice 24-9063	Due:09/24/2024	Amount Due: \$1,910.00
Dear Customer:		
Your invoice-24-9063 for 1,910.00 is attached. Please remit payment at your earliest convenience.		
Thank you for your business - we appreciate it very much.		

Hey FirstName, it's Kris with the Keith Wilson for Mayor campaign. I'm reaching out because we officially ran out of yard signs! Keith's momentum and message are spreading around the city, and more folks than ever want to show their support.

Yard signs are hugely important for a grassroots campaign like ours because they help get Keith's name out there to new voters and show how much support he already has.

But, we had to place a rush order for new signs since we ran out quicker than we anticipated – so now we have a budget hole of \$1,910 that we need to cover, and we need to cover it fast.

Will you rush a contribution right now to help us fill our \$1,910 yard sign budget hole before we have to pay the invoice at the end of the week? Donate here: [LINK]

Hey FirstName, it's Keith Wilson in Portland, and I wanted to reach out personally a final time before we close the books on this quarter.

I'm so grateful and appreciative that you've been with me on this journey, believe in the vision, and see me as someone who can carry it out.

I also know that we ask you for money a lot. It's my least favorite part of the job, but when we run as an outsider candidate without the established name ID of my opponents, we need to rely on our community.

Thank you for staying with me, and thank you for your past investment. But with the End of Quarter deadline coming up tonight at midnight, we still have another \$650 left to raise to hit our goal. Could you make your first investment of \$15 right now to help us get there? [LINK]

FirstName – It's the team over with Keith Wilson for PDX Mayor, and we're reaching out because the end of the month is coming up on Saturday. As you know, this is our FINAL end of month deadline before next month's debates, and it's imperative that we have the resources to combat any attacks from the stage.

We know that Keith's opponents don't like that he's holding them accountable for their failed policies, and we know they're doing everything they can to discredit Keith's ambitious vision for our city.

We're prepared for everything, and we're prepared to have to fact check our opponents if they say anything misleading on the debate stage.

But in order to get our message out, we need to hit our goal. Can you make a contribution towards our movement right now to help us hit our EOM goal before Sunday at midnight? [[LINK](#)]
