Want to add some pizzazz to your tired, outdated kitchen? Maybe you want to brighten up a breakfast nook with a splash of color. Trying to figure out what to do with the décor of your kitchen can be challenging, especially as the kitchen tends to be the social focal point of your home. Why not try one of our wall murals (<https://www.limitlesswalls.com/wall-murals/rooms/residential/kitchen.html>) to add a dash of excitement to your culinary creative space. Below are 7 accent wall ideas for your kitchen.

Warm Accents with a Splash of Color

One of the most popular color schemes for kitchens this year is brown or earth tones on the walls with white cabinetry. Make a bold statement on your accent kitchen wall by adding one of the hot colors this year, chartreuse. This mural (<https://www.limitlesswalls.com/shooka-wallpaper-mural-wall-mural.html>) ties in those popular browns, whites, and a splash of chartreuse.

Subtle Two-Tone Pattern

Or for a subtler pattern, yet still, a striking kitchen accent wall color, try this Mod Rococo (<https://www.limitlesswalls.com/mod-rococo-wallpaper-mural-wall-mural.html>) wallpaper displaying lovely chocolate brown patterns on a taupe background. It's modern yet has a bit of feminine flair.

Wake up Your Breakfast Nook
(<https://www.limitlesswalls.com/wp/wp-content/uploads/2018/03/Coffee-Lovers-Collage.jpg>)

(<https://www.limitlesswalls.com/wp/wp-content/uploads/2018/03/Coffee-Lovers-Collage.jpg>)

Have a kitchen breakfast nook, but it needs a fun and inviting look? Our Coffee Lovers Collage (<https://www.limitlesswalls.com/coffee-lovers-collage-wall-mural.html>) wall mural is perfect for that java-loving family member. What a great way to wake up and enjoy a tasty bite of breakfast while sipping on a steaming cup of liquid sunshine.

Stone Accents for Added Charm

(<https://www.limitlesswalls.com/wp/wp-content/uploads/2018/03/Brown-Stone-Wall-Mural.jpg>) Many love the look of brick or stone in their home but if you're budget conscious, why not try one of our stone wall murals (<https://www.limitlesswalls.com/wall-murals/collections/texture.html>)? With brick or stone, it adds a welcomed, inviting warmth to any kitchen at a fraction of the cost that the real stuff would cost. Plus, if you want to change it up, our wall murals are removable and can be reused throughout the home.

Geometrics for an Exciting Accent

(<https://www.limitlesswalls.com/wp/wp-content/uploads/2018/03/Aged-Diamond-Wall-Mural.jpg>)

Tying in those popular earthy colors, try adding a bold geometric pattern (<https://www.limitlesswalls.com/wall-murals/collections/texture.html>) to pep up that dull, old kitchen. Using several colors in the same color scheme can break up a plain, white wall and add some an exciting conversation piece as your guests mingle in your kitchen.

Retro Fun

(<https://www.limitlesswalls.com/wp/wp-content/uploads/2018/03/Moms-Diner.jpg>) If you're looking for a bit of nostalgia with your accent kitchen wall (<https://www.limitlesswalls.com/mom-s-diner-wall-mural.html>), try this timeworn diner sign mural. Reminiscent of the colorful and bold 50's-style (<https://www.limitlesswalls.com/endless-coffee-wall-mural.html>) road signs, anyone who loves the looks of a more innocent age will surely like this.

Bring the Outdoors Inside

Another hot shade in kitchen accent wall color ideas is gray. Gray looks sleek, modern, and clean but sometimes you just want to bring in a smidgen of color to add some striking intensity to your kitchen.

Mother Nature is the perfect artist to create a natural, bold statement to your kitchen accent wall
