Subject: No One Gets Left Behind

Hello [FIRST.NAME],

What makes Temple Terrace feel like home to you?

For me, it has to be the people. Our community is full of remarkable residents like you: people who value this special city and contribute to our vibrant local culture.

I am running to serve the next four years representing you, my neighbor, on our City Council. I appreciate your vote!

My family has made Temple Terrace our home since 1993. We moved here for the beautiful trees, the tranquil river, and the proximity to the University of South Florida, where I served on the faculty for 34 years. Our decision was also influenced by the strong sense of community and culture that we felt all around us. **We've benefitted so much from living in Temple Terrace, and I want the same to be true for everyone here.**

In my long career of research and teaching, I focused on improving the effectiveness of organizations and communities. I have done my homework, and I'm prepared to handle the business of our City government. Beyond that, I'm ready to lead Temple Terrace toward becoming an even more engaged, closely-knit community—**where no one gets left behind.**

Will you give me the chance to be that leader?
