SKILLS

News, feature, and commentary writing - I've acquired extensive experience in news writing during my master's degree and have also written features and opinion articles on society and culture for my old student newspaper (*The Gryphon*), my blog (*Candid Talks*), my magazine (*Gen-Z Talks*), and other publications such as *The Republic Journal*, a Nigerian political magazine.

Proofreading and editing texts - I've edited countless articles from other writers as Editor-in-Chief of my magazine.

Video/audio production and editing (Adobe Premier Pro, Adobe Audition, Qube, CapCut) - I produced and edited *Pioneers Post's* Good Leaders Podcast and edited weekly news packages and a 10-minute documentary during my master's degree.

Digital journalism / Content creation / Social media management (Canva, Adobe Express, Buffer) - I create journalistic content and reels for my personal social media and, formerly, *Pioneers Post's* and my magazine's social media platforms.

PROFILE

I am a versatile journalist with an insatiable appetite for learning. I'm passionate about producing impactful journalism, having won awards for driving social change through my online magazine and my written work. My natural charisma enables me to work collaboratively with others to achieve optimum results in fast-paced newsrooms, while boosting team morale.

WORK AND JOURNALISM EXPERIENCE

Features Writer at *Irokoos*

APRIL 2024 - PRESENT

I write stories about influential individuals, organisations and places that are creating a positive impact in the African diaspora and contributing to the socioeconomic advancement of the Black community worldwide.

- **Interviewing | Event planning | Digital marketing strategy | Social media management | Content creation**

Junior Multimedia Reporter at *Pioneers Post*

OCTOBER 2023 - JULY 2024

I currently work at *Pioneers Post*, an independent, specialist publication that reports on the world of social enterprises and mission-led businesses.

- **Writing news and feature stories | Reporting on events | Editing podcasts and social videos**

Content Creator and Event Host at *Young Africa Centre*

APRIL 2023 - PRESENT

As a member of the youth division of *The Africa Centre*, I create content and host events that are of value to the young people in African diaspora.

- **Moderating panel talks | Interviewing | Event planning | Digital marketing strategy | Social media management | Content creation**

Video Production Intern at *Agence France-Presse news agency*

SEPTEMBER 2023 - OCTOBER 2023

I worked on both the Europe Desk and the Web desk as a video producer for three weeks, preparing raw video footage to either be sent off to AFP's clients, or to be published on AFP's YouTube channel.

- **Editing videos on Qube | Writing and editing transcript on Iris**

Editorial Intern at *The Guardian*

AUGUST 2023 - SEPTEMBER 2023

I completed the All-Editorial Scheme, which meant that I spent three weeks rotating around the different desks, such as Homepage, Books, Culture, Environment, Multimedia and Podcasts.

- **Writing stories | Finding interviewees | Editing YouTube videos**

Founder/Editor-in-Chief at *Gen-Z Talks Magazine*

FEBRUARY 2021 - MAY 2023

For more than two years, I ran a publication which kept social media users informed about current affairs and gave young Gen-Z writers a platform to write about their views on socio-political issues. I designed the website and supervised the day-to-day administration of the magazine, liaising with the other editors to ensure consistent, high-quality content output.

- **Leading and managing a team of creatives | Administration and delegation | Budgeting and finance management | Managing a news cycle**

SEO / Web development - I built the website for my online magazine on Wix, using SEO to make it easier to discover online.

Public speaking / Broadcast presenting / Event hosting - I have hosted cultural events and moderated interviewees with creatives, as well as spoken at a business conference.

Brand development / Audience engagement - I have acquired knowledge of how to develop a personal or business brand through my first-hand experience of establishing and growing a digital magazine.
