

Facing Cancer

It's good to know you're not alone.

THE COMPREHENSIVE CANCER CENTER brings together world-renowned physicians and a team of specialists to provide the highest quality care in a warm and comforting setting, close to home. We are proud that Rhode Island Hospital and The Miriam Hospital were singled out by the national Blue Cross Blue Shield Association as the state's only Blue Distinction Centers for Complex and Rare Cancers. For more information, visit cancer.lifespan.org.

The Comprehensive Cancer Center

Rhode Island Hospital, The Miriam Hospital
and Newport Hospital

Lifespan Partners

TOGETHER WE'RE BEATING CANCER.
