HOLLY MCHUGH

WRITER

ABOUT ME

An energetic, personable and conscientious BSc Biology graduate, possessing strong written and oral communication skills, along with a strong work ethic and enthusiasm for learning. A keen, passionate writer with a natural creative flair and interest in language. Recently had three articles published in the Sunday Times during an internship and several articles published in an online magazine. Keen to develop writing skills further and pursue a career in writing.

ADDITIONAL INFORMATION

Gap year in Australia: During 2013 I supported myself through a variety of hospitality jobs whilst traveling along the eastern coast of Australia.

Field trip to Madagascar. As part of my BSc I went on a two-week expedition with some of my course mates where we undertook a variety of projects, in teams and individually.

Voluntary Work. I've done a number of projects on a voluntary basis around Bristol to develop my interest in scientific areas and gain practical work experience
