

Signature Insure / High Net Insurance Specialist's

About us

Located on the edge of Green-Quarter, Manchester. Close by to the heart of the city where diverse industry and individuals thrive.

Our business offers selective insurance designed to effectively cover your assets. Signature insure is set, for those clients who require high risk insurance. We provide commercial and personal insurance for any asset, for the clientele who need it. As an insurance company we analyse, track, and manage risk. Collectively our specialist knowledge surpasses 13 years in craft. We know how to handle your assets in the most delicate manner.

Our aim is to assist high net worth individuals who are involved in entertainment. Whether you drive a McLaren, or any other prestige vehicle, work as a cameraman within industry, we understand that your assets are very important to you. Our company secures your peace of mind, by taking care of what means the most to you.

Yours,

Signature Insure.

Key Policy Highlights

We work with A+ rated insurance companies - Zurich Private Client, Chubb, ERS Covea & Aurum. Owning assets is about so much more than simply owning property. Often the property in need of insurance can be a collection of sentiment, gifted by others to mean something special, valuable in more than just the financial value. This is what we believe, therefore we work with the best partner businesses to run the smoothest signature operations.

Situation Appetite

With knowledge of your logistics, details, and asset location, we can offer you our bespoke management swift to suit your schedule.

Client Profile Case – Client A

'One current client profile includes a known footballer. We provided bespoke insurance for his property, current place of residence and supercar. 'Signature Insure' was an obvious route for him to secure cover for his prized possessions.

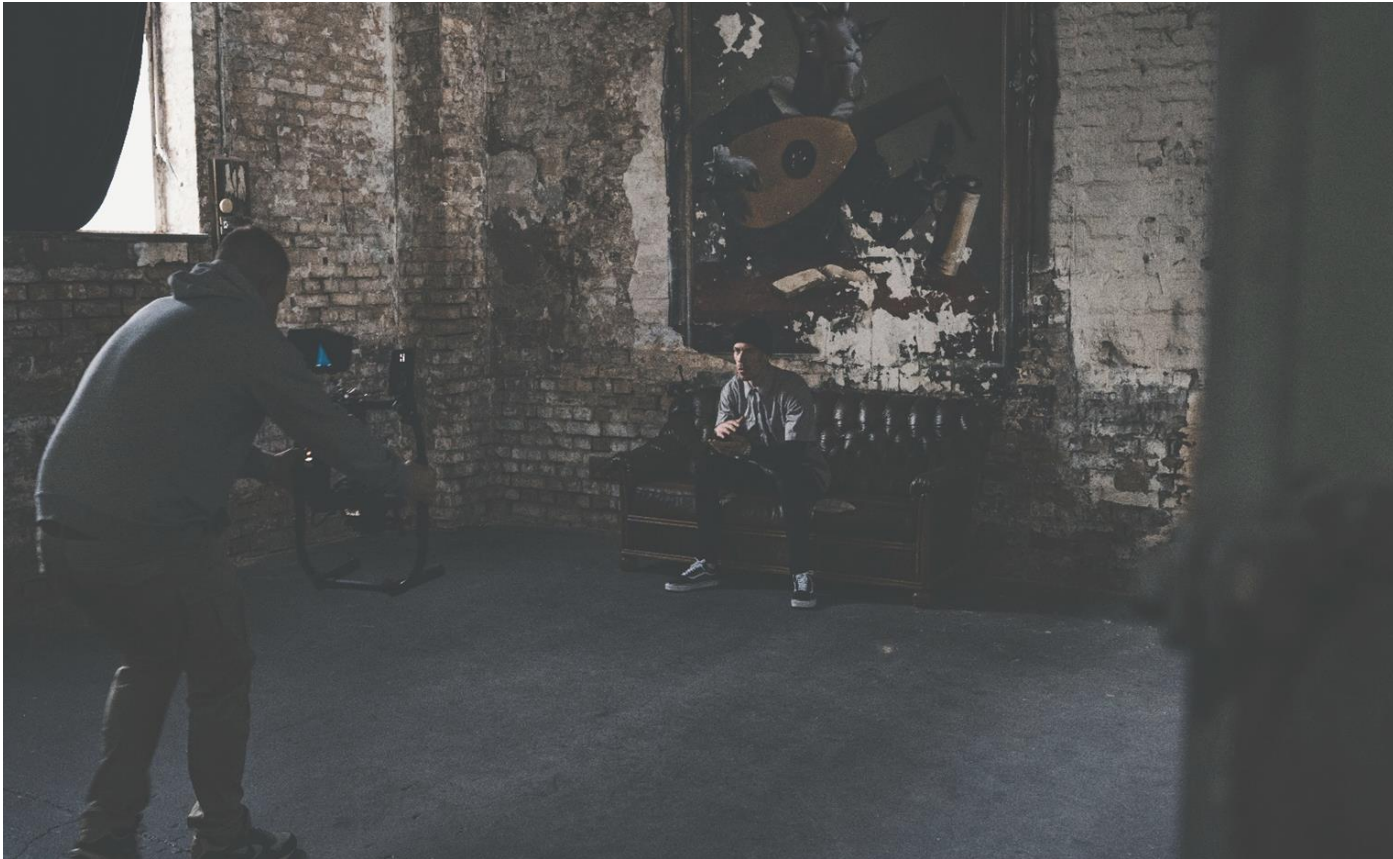

Clients such as these, require reassurance that any possibility of property damage or loss can be prevented. We can protect you from this. Our bespoke insurance extends to prestige, occupation risk, anyone at all who needs our services to maintain management over their belongings.'

The ultimate peace of mind had allowed our client to rest assured, that any risk of damage had been secured through the services we provide. Contact us directly, so we can tailor a

service that is best suited to your needs.

'Peace of mind' is our speciality.

Client Profile Case – Client B

We manage the cover of entertainment professionals. Individuals working as cameramen reside in occupations involving close risk for extended periods. This required 'signature insure' to offer a set proposal. We provided a solution –

Protection for his contracted hours with cover, along with a

private storage space containing his personal filming equipment. Understanding he is aptly protected in each scenario; he operates his days with ease.

Prestige, occupation risk, anyone at all who needs our services to maintain management over their belongings.

Client Profile Case – Client C

A third client needing signature insure contacted us directly. Her possessions consisted of art pieces requiring high risk travel cover, and storage cover. During her business and leisure hours, her art assets are under consistent care by us.

We offer full cover regardless of the type of property you own. Art, jewellery, belongings in storage. Signature has the means to cover you, regardless.

Overseas
