2023 MAKING A DIFFERENCE AWARD

Wildly Changing Lives

Congratulations to our 2023 Making a Difference award winner, Wildman!

Since 1952, Wildman has been servicing Kosciusko County with a broad line of business services all targeted at helping business owners succeed. However, more important than the services Wildman offers, is why. Their purpose is to wildly change lives by empowering people to realize their full potential and purpose. They offer unique benefits to their team members to tap into this, such as Dream Management and their LoveWorks benevolence fund. When it comes to their staff, they are committed to improving the whole person, even in areas outside of work.

20% of their profits are donated to both local organizations and global ministries. They are committed to giving back. Their partnership with local organizations provides resources to those facing hardships, counseling services to support families and marriages, donations of needed supplies to local childcare facilities, and local sponsorships of school athletics teams to teach kids valuable life skills. They also work with global organizations to provide Christ-centered education to children, dignified employment for women, and clean drinking water in areas that unsafe water is the norm. Wildman exists for the purpose of changing lives and making a difference.

The Making a Difference award is sponsored by K21 Health Foundation

OUR PURPOSE

We wildly change lives by empowering people to realize their full potential and purpose.

OUR MISSION

We fuel our purpose through service that keeps teams and facilities clean, safe, and looking great

OUR VISION

We will redeem the perception of the industrial laundry industry.

OUR VALUES

Relationships | Building Meaningful Connections

Authentic | Honesty and Integrity in Action

Serve | Putting Others First

Excellence | Never Settling for Good Enough

THE BENEFIT OF THE MONTH

SURGERY. SIMPLIFIED.

To help you be healthy.

The KISx Card is a surgery & imaging program that your employer has made available to you for the most common surgical & imaging procedures. Some of the most typical procedures through The KISx Card include: Orthopedic, General Surgery, Colonoscopies, MRI, CT and PET Scans. If you utilize the program, you will receive your procedure at **NO COST** to you.

CALL

Call a KISx Card Nurse at 877-GET-KISX to find out more about your procedure and how the program works. We will assist you in finding the right facility nearby.

SCHEDULE

A KISx Card Nurse will help schedule your procedure. Upon scheduling, they will then provide you with a voucher to take to your initial consultation.

PROCESS

BE HEALTHY

After you have had your procedure through a KISx Card Provider, your KISx Card Nurse will follow up to make sure you are making a full recovery. We want to make sure you are getting better so you can live a healthy life!

SAVE

You will pay **\$0** out of pocket for choosing a KISx Card provider. Every aspect of your procedure is covered through the KISx Card.

HOW IT WORKS?

Before seeking In-Network Providers through your health plan, just call a KISx Card Nurse regarding your elective procedure. By choosing a KISx Card provider, you will always pay **\$0**.

FROM THE CEO

A note from Josh

SERVE

Putting Others First

Check out one of our new friends that we met while serving on a recent Vision trip to the Dominican Republic. Whether in the DR, or making a sales call, or helping a team member through LoveWorks or with an encouraging Change-Maker the Wildman difference is defined by our core value SERVE. Community is formed by our willingness to “treat others as they would want to be treated” to give Hope by giving of our time, talent, and treasure.

This core value was foundational when my Grandpa Rex Wildman first Served our country as a pilot in World War II and Then continued with his Servants heart when he bought a dry cleaner in 1952 and began serving the community of Nappanee and later Warsaw. Many don't know this, but Grandpa Rex would also go on to be a public Servant serving as a City Councilman in Warsaw for a number of years. That Servant's heart continued with my Dad's leadership. It was Brent who initiated our Serve PTO policy. Currently it allows 5 PTO days to be used every year for serving outside the company. In addition, Dad also challenged us with tithing as an organization which would evolve into our 20% giving commitment. It is my vision that this value only continues to grow as part of our culture and community, and our 3rd generation has implemented Vision trips semi-annually to the DR, LoveWorks, Dream Management, and Corporate Chaplaincy to continue the heritage of Serving our unique workplace culture with opportunities to realize our full potential and purpose. To be ChangeMakers and to be Changed!

In honor of Grandpa Rex and our heritage of Service and commitment to the communities in which we work, live, and play we are going to celebrate companywide with a Serve Day on February 23rd. Each location will be celebrating with specific events serving their communities. Be on the lookout for information on the events in your location and let's all make a difference and honor Grandpa Rex by giving back to the communities that have given so much to us. We are also taking Vision trips to DR in May and then in October and would love to have you join us in serving globally through 2nd Mile Adventures.

It is a blessing to be part of an organization that is 460 Servants Strong!
