## 2024 CSCNetWork Annual Convention “Don’t Gamble on Your Growth”

This past week our Winona Services and Provisions teams attended the CSCNetwork Annual Convention in Las Vegas. Both teams hosted partners, distributors, and prospects at an event titled “Don’t Gamble on Your Growth” where numerous productive conversations were had.

The following day, Winona Services set up a booth at the tradeshow of the impressive offerings they provide to the independent laundry industry.

Our Wildman team members attended the show in support of Winona Services as well as members of the CSCNetwork.

## OUR PURPOSE

We wildly change lives by empowering people to realize their full potential and purpose.

**Serve** | Putting Others First

**Excellence** | Never Settling for Good Enough

## THE BENEFIT OF THE MONTH

### How can I find a network provider?

Using the benefit at a network provider is easy. Simply visit [eyemedvisioncare.com/stoftnoe](http://eyemedvisioncare.com/stoftnoe) and search providers near you by entering your zip code or call 1.855.779.5046.

### How often can I get an eye exam?

You're eligible for an eye exam once every calendar year. You can get standard plastic/glass lenses or contacts once every calendar year and frames once every two calendar years.

### How does the frame allowance work?

If you choose the Basic plan and use a network provider, you will not have to pay anything for your frames if they cost \$50 or less. If the frames are over \$50, you will get a 20% discount on the balance of the monies you owe.

### How will my provider know if I have used all of my benefits?

An in-network provider will locate your record within the EyeMed system and verify that benefits are available prior to your appointment.

### How will my provider verify that I am a member?

An ID card is not required to receive benefits at the provider's office. The provider will search for your eligibility and benefits by your name and then verify your address, date of birth and your subscriber's employer.

### Do I need to file a claim?

No, you will not file claims if you use an in-network provider. However, if you do not use a network provider you will need to file an out-of-network claim form. This form, is available at [www.eyemedvisioncare.com/stoftn](http://www.eyemedvisioncare.com/stoftn) under common questions.

### Who do I contact with questions about my claim and how it was paid?

You can contact the EyeMed Customer Care Center at 855-779-5046 with any questions pertaining to your claim. They are available Monday-Saturday from 6:30am to 10:00pm CT and Sunday 10:00am to 7:00pm CT.

### SERVE

#### Putting Others First

They say a picture is worth a thousand words. While I don't have many words, we do have a plethora of pictures, and they hold more personal meaning for me than I could ever convey in writing.

On Friday, February 26th, 160 of us across more than 20 locations in Indiana and Michigan lived out our commitment to service by putting others first. We did so in honor of the example set by my Grandfather, and our Founder, Rex Wildman. Without a doubt, there were no "Rexervations" that day. I had the privilege of visiting six of the events, and the enthusiasm and passion displayed by our teams, along with the gratitude of those we served, were truly overwhelming.

From his heavenly seat, Granpa surely looked down upon us with pride. Not only am I appreciative, but I am also immensely proud of the heart of our organization and the transformative impact we collectively bring about.

I invite you to enjoy the pictures and Jeff's video in the newsletter and on the monitors. And most importantly, a heartfelt THANK YOU!

# SERVE DAY

## NO REXERVATIONS

Suppose a brother or sister is without clothes and daily food. If one of you says to him, "Go, I wish you well; keep warm and well fed," but does nothing about his physical needs, what good is it?
