“My Ashland Office, a collaborative workspace opens in downtown Ashland”

Ashland, MA (January 26, 2022) - My Ashland Office welcomes professionals to its collaborative workspace located in downtown Ashland at 21 Main Street.

My Ashland Office embodies the local small-town charm while offering convenient office spaces to suit your needs. My Ashland Office provides several convertible sit-to-stand desks, ergonomic chairs, filing cabinets, a video-conference room, and a kitchenette in an air purified, sleek environment.

Owner of My Ashland Office, Steve Greenberg explains how he created this new space stating, “I was previously using this space as the location for Oak Realty. I was using this incredible office space for just myself. After doing some homework, I transformed my office into a new video-conference room, and created additional workstations to share with other professionals.”

My Ashland Office is the perfect location to complete your workday. Take a break from your work and enjoy all Ashland has to offer. There are walking trails, restaurants, municipal buildings and parks, and more just outside its doors.

My Ashland Office will create a business community at 21 Main Street. The building features The Bagel Table, a bustling restaurant as the storefront and residential space on the upper levels. My Ashland Office is the perfect neighbor for The Bagel Table that serves up breakfast and lunch daily. The location is accessible by all transportation methods including the MWRA Bus, MBTA Commuter Rail, and has free additional on street parking and in the municipal lot just one block away at Town Hall.

The Town of Ashland’s Director of Economic Development and Community Outreach, Beth Reynolds, comments, “My Ashland Office is a welcome addition to the Town of Ashland. We are lucky to have a collaborative workspace to support a diverse and multidimensional business community.”
