Here to Stay!

Brand-New Store Opens Soon

Tuesday, April 12th at 10:00am!

20 years in Rockville this March! After outgrowing two locations we are moving again. "On the move but here to stay"! The first Whole Foods in the Mid Atlantic is relocating a block from its original location.

The First Round of Team Member Orientations

have been a huge success. Each orientation includes a detailed tour of every department where our Team Leaders show not only the new space, but also the new innovations that are being implemented at the new Whole Foods Market Rockville. After the tour and a safety walk, the Team Members are then treated to a tasty pasta dinner served by their Team Leaders! Following the dinner are some fun team building activities as well as some educational presentations. The final round of orientations will be later this week!

Construction Update

We are ready to Cook Now!

We just passed ANSUL Inspections
Big thanks to Brett and the Construction Team!

Smoke Free Facility

Whole Foods Market Rockville is a smoke free facility which means there are no designated smoking areas. TMs must smoke 100 yards from the building and may not wear any Whole Foods Market insignia while doing so.

Labor

We appreciate all of your hard work and want to make sure you get paid. Only approved time will be paid. Please check in with store leadership and use the time clock.

All **Non-RWF** Team Members must punch in using the RWF time Clock.

- 1) At clock, press the labor transfer button
- 2) Press the Startup Button
- 3) Then enter your Team Member ID

To clock out, follow the same procedure.

Fire Sale!

50% Off of Everything!

At Our old Rockville Store Location. No additional discounts (TMs cannot use their Discount Cards)

Team Members Only

Saturday 4/9/11 from 9:30pm to 11pm

General Public Sunday

4/10/11 from 7am to when everything is sold

Need Some Equipment?

RKV's equipment and fixtures are primarily going to OSU. Julia, Brett and the C-Team (coordinators) are determining where the rest is most needed. If you have a request, please contact them through your STL or ASTL

Introducing Michael Kiss Rockville's New Cooking Coach

Michael Kiss began his career with Whole Food Market in June 2004, and his most recent position was as the Culinary Chef at the Arlington Store. Michael has always loved talking about food and helping others learn how to cook. He loves finding out something new about food everyday!

Cooking Rockville

Will engage, inspire and educate about the joy of and knowledge of cooking.

Food for Thought: content categories will include...

- Buy a Little, Make a Little (make simple dishes)
- Building Blocks (fundamentals of cooking)
- Community Cooking
- Various Topics

Meet Gina Lancaster

Rockville Marketing Team Leader

A love for marketing and great food brought her to work at Whole Foods Market in January 2010. Her previous marketing experience dates back to Disney on Ice and an ad agency. She enjoys working in the marketing department because it allows her to contribute to every department and work within the local community. Per Gina, no one day is the same, everyday is an adventure, and I'm always challenged to think outside of the box.

A Special Appreciation

to our Customer Service Team for holding down the front end on a day to day basis. We have hired about 15 new Team Members for this department alone. Featured are Customer Service Team Leader Oumar Siene and Associate Team Leader Luba Mehonseva.
