

5 OF THE BEST (MUST SEE) LUXURY VILLAS FOR SALE IN ST TROPEZ

Sep 28, 2022

[Saint-Tropez](#) is one of the French Riviera's most popular coastal towns, and it's just a short drive from Cannes and Nice. The area is known for its vibrant atmosphere, in-demand beaches and buzzing nightlife, as well as high fashion and gourmet food. Aside from being one of Europe's most sought-after summer towns, Saint-Tropez also has a range of property types. There are villas right near the centre of town, as well as private apartments and houses in more serene settings. Many homes here are turnkey properties, too, so you won't have to do any work before you (or those you rent to) can move in.

Despite its vibrant atmosphere, Saint-Tropez can also be an excellent place for families that love summertime fun. There are child-friendly beaches alongside playgrounds, as well as plenty of eateries to stop for snacks. You don't have to be a beach person to love it here, either. Aside from swimming and sunbathing, you can lunch at a cafe by the yacht-filled harbour, shop for antiques at open-air markets and dine on Provençal dishes at glamorous restaurants.

Here, we've put together a selection of a few luxury homes currently for sale in Saint-Tropez.
