

Our Story

Creativity, Talent & Consideration: The Peacock Nails Experience

At Peacock Nails, we respect and celebrate our guests from all walks of life. We are an LGBTQ+ affirming salon that nurtures the bodies and spirits of those who need a retreat from their busy lives.

Our woman-owned business focuses on the health, safety, and comfort of clients. Peacock Nails’ experienced and friendly technicians serve every guest with care and are up to date on the latest nail trends and treatment standards.

We care about our customers and use only the highest quality products. While some salons cut corners with cheaply sourced, toxic products, Peacock Nails values our clients and reputation.

Whether you found us through word of mouth or by searching “nail salons near me,” you are welcome!

Located in Lemon Grove, a charming and diverse community a few miles east of San Diego, Peacock Nails invites you to schedule an appointment now or browse our menu of available services. We look forward to serving your beauty needs.

The Peacock Nails Team

We are passionate about what we do and hire technicians who feel the same way!
