"THE DRIVER" GOLF GLOVE - LIGHT BLUE/WHITE

\$78.00

Look great & play even better with Philip Isaac's professionally crafted golf glove featuring signature styling designed by professional athletes. Each sleek, lightweight PI glove is hand-sewn from buttery soft, 100% AAA cabretta leather for a supple feel and snug fit to ensure lasting quality and high performance with a touch of luxury. A hook-and-loop tab closure reinforces the fit and incorporates the super strong magnet that signifies PI's exclusive Ride-N-Dri™ technology.

Just attach the magnetic tab of your PI glove to your club, golf bag, golf cart or other metal surface for fast drying while on the move.

Additional Features

- Gloves are manufactured to a precise .6mm, the ideal thickness to protect your hands, limit sweat and improve grip.
- The full glove shell is made of luxurious cabretta leather, from fingertip to wrist.
- Strategically placed Lycra inserts at the knuckles and fingers increase flexibility and ventilation.
- Internal spandex strips at the side of the glove help ensure a comfortable fit with stretch for a custom fit.

Why Dry?

- Dry gloves last longer and prevent wear and tear.
- Keep your hands sweat-free for improved grip and greater comfort.

Invest in your game with a premium glove from Philip Isaac.
