

# ◀ REWIND

Redirecting youth  
out of the municipal  
court system and into  
a positive lifestyle

# Who it's for

If you are between the ages of 10-17 and have been charged with a misdemeanor, you have two options:

- Participate in REWiND, or
- Take your case to court

**Completing REWiND dismisses your case from municipal court and seals your permanent record.**

# How it works

- Complete an assessment
- Complete classes
- Complete REWiND

**REWiND gives you the opportunity to learn from your actions and demonstrate readiness to make better choices for yourself and your future.**
