

Have the system you need for work and play with the Galaxy Book2 Pro 360. This laptop is designed to give you the performance you want in an easily transportable package. It comes with Windows 11 preinstalled for a familiar interface that's ready for use right out of the box, and it features an Intel processor with a graphics card upgrade option for those who need serious gaming power.

If you're looking for a laptop that lets you work and create at home, the Galaxy Book2 Pro delivers with a 15.6-inch touchscreen that can fold flat in tablet mode thanks to the 180-degree hinge. The AMOLED screen automatically adjusts to different light conditions for reduced eye strain and a more true-to-life viewing experience.

- 15.6-inch AMOLED touchscreen
- Battery life up to 21 hours
- Backlit keyboard
- 2 USB-C ports
- Compatible with Bixby and Alexa

Give the gift of relaxation with this Dr. Teal's Relax and Relief 5-piece gift set. Add the Epsom salt soaking solution to warm running water to infuse a bath with rest-inducing magnesium. Pour in a couple of capfuls of the foaming bath for luxurious bubbles that last for even the longest of soaks.

If you prefer showers, start your day with the revitalizing scents of eucalyptus and spearmint in the body wash, and finish off your morning routine with the silky soft body oil to lock in moisture all day. Keep the body lotion by your bed for aromatherapy before you sleep or in your car or purse for on-the-go relief from dry skin or stressful days.

- 14-ounce Epsom salt soak
- 3-ounce foaming bath
- 3-ounce body wash
- 1-ounce body lotion
