Dear Sir or Madam,

It is my pleasure to recommend Hannah for a position as an occupational therapist. Hannah is a dependable, professional and skilled therapist.

It is my professional and personal opinion that Hannah has all the skills and traits required to be an excellent occupational therapist in any organization. She is diligent and hardworking with a solid understanding of the skills and demands needed to fulfill the requirements of an occupational therapist. While in the clinic Hannah excelled at preparing her sessions, completing paperwork and is particularly competent and skilled in producing pediatric evaluations for all age levels.

In addition to her strong professional skills, Hannah has demonstrated excellent interpersonal skills. Her temperament and professionalism put children at ease and facilitates the therapy process. She is a pleasure to work with. I have no doubt that she will be an asset to any organization.

Sincerely,

Shannon O'Haverty
