

Think Summer— Think Boston University.

SUMMER 1: May 23–July 1 **SUMMER 2:** July 5–August 12

Register today.

Call 617-353-5124 or visit bu.edu/summer.

Boston University Summer Term is the premier summer study program in the Northeast, offering high-quality undergraduate and graduate courses in a broad range of academic subjects. A condensed six-week schedule—which includes evening courses—allows you to pursue your academic goals along with your usual summer activities. Summer Term’s open-enrollment policy makes it easy to enhance professional credentials, broaden career options, satisfy prerequisites for bachelor’s or master’s degrees, or focus on a particular topic of interest.

Extensive Choices

You’ll find more than 700 courses in over 75 subjects, with abundant offerings in business, languages, math, science, social sciences, and pre-law. We also have many summer courses that focus on core areas of pre-health sciences, such as biology, chemistry, and physics.

Professional Development

Whether your field is education, communication, project management, or computer science, Summer Term is an opportunity to improve professional skills and learn new principles. Need to improve your basic business acumen? Look for our business courses for non-business majors.

Personal Enrichment

Exercise your imagination and hone your critical-thinking skills—we offer a wide range of courses in the visual arts, film and television, music, literature, history and art history, and writing. We also offer a special series of courses that focus on the city of Boston.

Pre-College Programs

High school students who want to experience life on a college campus can still enroll in the following programs: High School Honors, Summer Challenge, and Summer Preview. This summer, we’re also introducing three online courses for high school students.
