

Anna Wostenberg

Prof. Basham

ENG 206

25 February 2013

Decisions

Left or right? Forward or back?

Stop. Listen.

Brain or heart? Logic or emotion?

Stop! Listen!

Easy or hard? No...both are hard...

Right or wrong? What's the difference!?

STOP! LISTEN!

In your nose, out your mouth. This is only a temporary problem.

What would Daddy say? He's not here to solve your problems for you.

Be mature, be an adult. It's *your choice*.

But they judge me and my decisions.

Why should I care?

Oh, that's right.

I don't.
