Dear Skritizen,

We appreciate you choosing Skritter as a tool in your language-learning journey! Learning a language is a big commitment, but the right tools can accelerate your studies. Since our mission is to support you in achieving your goals, your feedback is essential to helping us improve and enhance your study experience.

With this in mind, we have created a survey that will help us better understand your needs, preferences, and challenges. This feedback will help us to see where we can improve so that we can continue helping you and other learners in mastering your language goals. Follow the links below to contribute to the Skritter experience.
