Advanced Reporting  
Editing I  
Multimedia Journalism

### **PROFILE**

Accuracy-driven digital/print journalist seeking opportunities to exercise and expand upon 2+ years of reporting experience and knowledge. Demonstrated abilities to cover a wide range of topics and issues while gathering experience at various news media organizations. I aim to secure a position as a reporter at a news organization where I can produce pertinent, engaging and timely news content.

### **EXPERIENCE**

*Fort Myers News-Press/Naples Daily News* | USA TODAY  
Network - Breaking News Reporter

**May 2023-Aug. 2023, Jan 2025-Present**

Produce compelling and informative breaking news content covering the Southwest Florida region. Write on topics such as homelessness, natural disasters, and the housing industry. Collaborate with peers to navigate and approach sensitive subject matters.

*Orlando Sentinel* - News Reporter

**January 2024-April 2024**

Developed high-quality news content by conducting interviews with notable sources and navigating public records. Covered local government/ politics, crime/public safety, lifestyle topics and more. Undertook investigative reporting to relay information relevant to the Central Florida region.

*NSM Today* - Politics Editor

**January 2024-May 2024**

Coached several reporters on how to effectively and accurately report on politics topics germane to the UCF population. Supported fellow editors in the editing process to ensure a timely flow of content.
