

Bayhealth Community Pharmacy Kent Campus Now 24-7

Wednesday, April 6, 2022 |

Meeting the growing needs of our community, Bayhealth Community Pharmacy, Kent Campus is now open 24 hours a day, 7 days a week.

The front doors of the pharmacy will be open from 8 a.m. to 8 p.m. daily. And they will operate as a “closed-door” pharmacy during all other hours, with prescriptions continuing to be filled during these times. These prescriptions will be available for pick up at the desk in the main lobby of Bayhealth Hospital, Kent Campus.

With many other pharmacies limiting their hours over the past several months or permanently closing their doors, being open 24/7 to serve our patients, staff and community makes it easier for you to get the prescriptions you need not only when you need them—but at the most convenient time for you.

Bayhealth Community Pharmacy accepts most major prescription plans and consultations with a pharmacist are available. Visit Bayhealth.org/Community-Pharmacies for more information about both Bayhealth Community Pharmacies, including curbside delivery, which is offered at both the Kent and Sussex Campuses.
