

Bayhealth Accepting Applications for Clinical Pastoral Education Program

Wednesday, January 25, 2023 | Bayhealth Kent Campus, Bayhealth Sussex Campus

Bayhealth is accepting applications for the Spring session of its Clinical Pastoral Education Program. The deadline is Monday, Feb. 6. Clinical Pastoral Education (CPE) is professional training for clergy and lay persons of all faiths and denominations. As a regional healthcare leader, Bayhealth is the only health system in Kent and Sussex Counties to offer a CPE Program.

CPE teaches clergy and lay persons how to best serve as spiritual care providers not only to patients, families, and staff in hospitals and other healthcare facilities but to the military and others in the community — such as to those in places of worship, schools, prisons, and homeless shelters. It also prepares chaplains for board certification.

Bayhealth's CPE Program takes place at its Kent and Sussex campuses in a safe and supportive learning environment. Bayhealth's CPE students gain firsthand experience offering spiritual care to patients and their loved ones in a variety of specialties including oncology, cardiology, pediatrics, plus many more.

Bayhealth's CPE Program is accredited by the Association for Clinical Pastoral Education Inc. (ACPE). Call Bayhealth's Pastoral Care at 302-744-6147 or visit Bayhealth.org/CPE to learn more and to apply.
