

Bayhealth Medical Center

March 31, 2021 · 🌐

Did you know the Bayhealth Community Pharmacy is for patients, staff and anyone else in the community who needs a pharmacy? Located by the main entrance at both hospitals, the Community Pharmacy also offers curbside service, which provides a convenient way for patients to obtain their medications when they're being discharged from the hospital, and for any other customers who prefer or require this option. Bayhealth Community Pharmacy accepts most major prescription plans and consultations with a pharmacist are available. Visit [Bayhealth.org/Community-Pharmacies](https://www.bayhealth.org/Community-Pharmacies) ✓ for more information, including hours of operation.
