If you are a pet owner, outside animals can be harmful.

They can bite your pet or have a duel in which both sides can fall victim to an injury. You can prevent something like this from happening by getting a professional to act as a referee and break up the fight without further chaos.

Our wildlife removal services can take care of things without anyone getting hurt in the

Get in touch with us today at (780) 445-4501.

The word is getting out — there's a new diamond in town that is a lot less expensive than mined diamonds, but just as stunningly beautiful!

The lab grown diamond industry has grown exponentially since the watershed year of 2018. Read more about the growth of the industry, and why it gives jewellery retailers the opportunity to appeal to new customers at https://www.jewellermagazine.com/.../The-lab-
