3 BENEFITS OF BAREFOOT SHOES

1. Better balance & posture
2. Stronger feet
3. Alleviate foot issues like bunions

stringzlaces.com

Your favorite shoes may be doing more harm than good. Narrow toe boxes, too thick soles, and poor fit – modern shoes can have designs that lead to all sorts of problems. But that doesn't mean you're stuck. Barefoot shoes could be the solution to a problem you don't even know you have.
