

Our time with our pets is a gift, and we want to celebrate all the stages of our journey with them! That's why we sent you a gift box recently with a little something for {pet_name}. In addition to this gift, Banfield is partnering with BluePearl Pet Hospice to offer a free virtual quality of life session for your pet, {pet_name}.

[Schedule your free session here!](#)

Take advantage of this exclusive offer by **September 30, 2023**.

What is a quality of life session? In your virtual quality of life session, a Senior Pet Advisor will assess your pet's comfort and wellness and share guidance on how to help your pet have more good days. This trained veterinary technician will also answer any questions you may have about nutrition, environment, and comfort.
