# POLL QUESTIONS

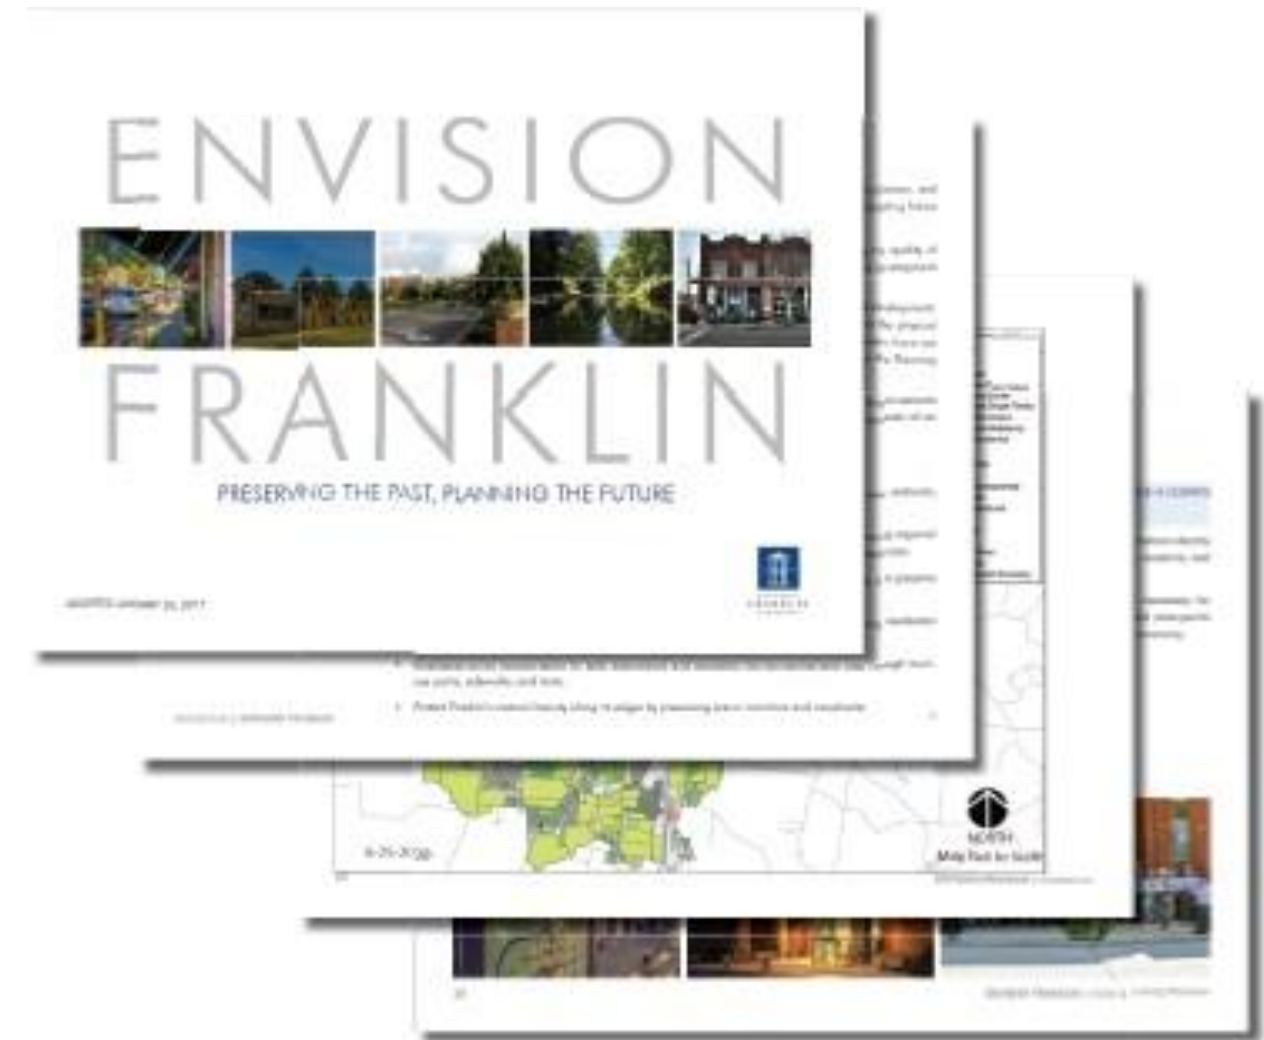

## TELL US ABOUT YOU

---

- How many people live in your household?
- Are you a homeowner or a renter?
- How long have you been a resident of the City of Franklin?
- Did you attend one of the March 22 public open houses at Columbia State on the Envision Franklin update?

# WHAT IS ENVISION FRANKLIN?

The 2017 Envision Franklin Plan is a collective long-term vision adopted to shape the vision of the kind of places that Franklin's residents, businesses, and institutions want for their future.

# WHY IS ENVISION FRANKLIN IMPORTANT?

---

Envision Franklin provides support in making land use decisions, managing the quality of development, determining the time and location of future growth, and directing investment and development activity.

# PURPOSE OF THE UPDATE

Every five years, the city reviews the Plan to make updates and evaluate if changes in social, economic, and/or physical conditions necessitate revisions to the plan's intended outcomes. The 2023 update adds a strategic focus on housing in Franklin. This update is an opportunity for the community to:

- . Review existing goals and policies
- . Write new policies that reflect changed priorities in the City of Franklin
- . Determine future land uses and design recommendations

# ENVISION FRANKLIN ONLINE SURVEY

Community outreach for the Envision Franklin update is continuing with an online citizen survey. **The survey will remain open through April 17.**

The Envision Franklin citizen survey is available now at <https://www.surveymonkey.com/r/EnvisionFranklinUpdate>.

# WHAT AFFECTS HOUSING SUPPLY?

Franklin & The Future of Housing  
April 13, 2023

# THE HOUSING SHORTAGE IN THE U.S.

- The United States faces an acute shortage of homes both for rent and sale
- The result: increasingly unaffordable housing costs for families across the nation.
- The current undersupply is largely a result of the failure to build enough new homes over the past couple of decades.

# MULTIFAMILY TRENDS

- The national average rent increases:
  - 2010 - 2020: 37%
  - 2020 - 2023: 26%
- The number of American renters surpassed 100M this decade
- More high-earning Americans are renting than ever
- Renting has increased in popularity among older households

# WHY DEVELOP A HOUSING STRATEGY?

- Align local housing supply more closely with housing needs
- Coordinate infrastructure with housing development
- Ensure consistency with community character
- Support social equity and affordability
- Manage environmentally sensitive areas

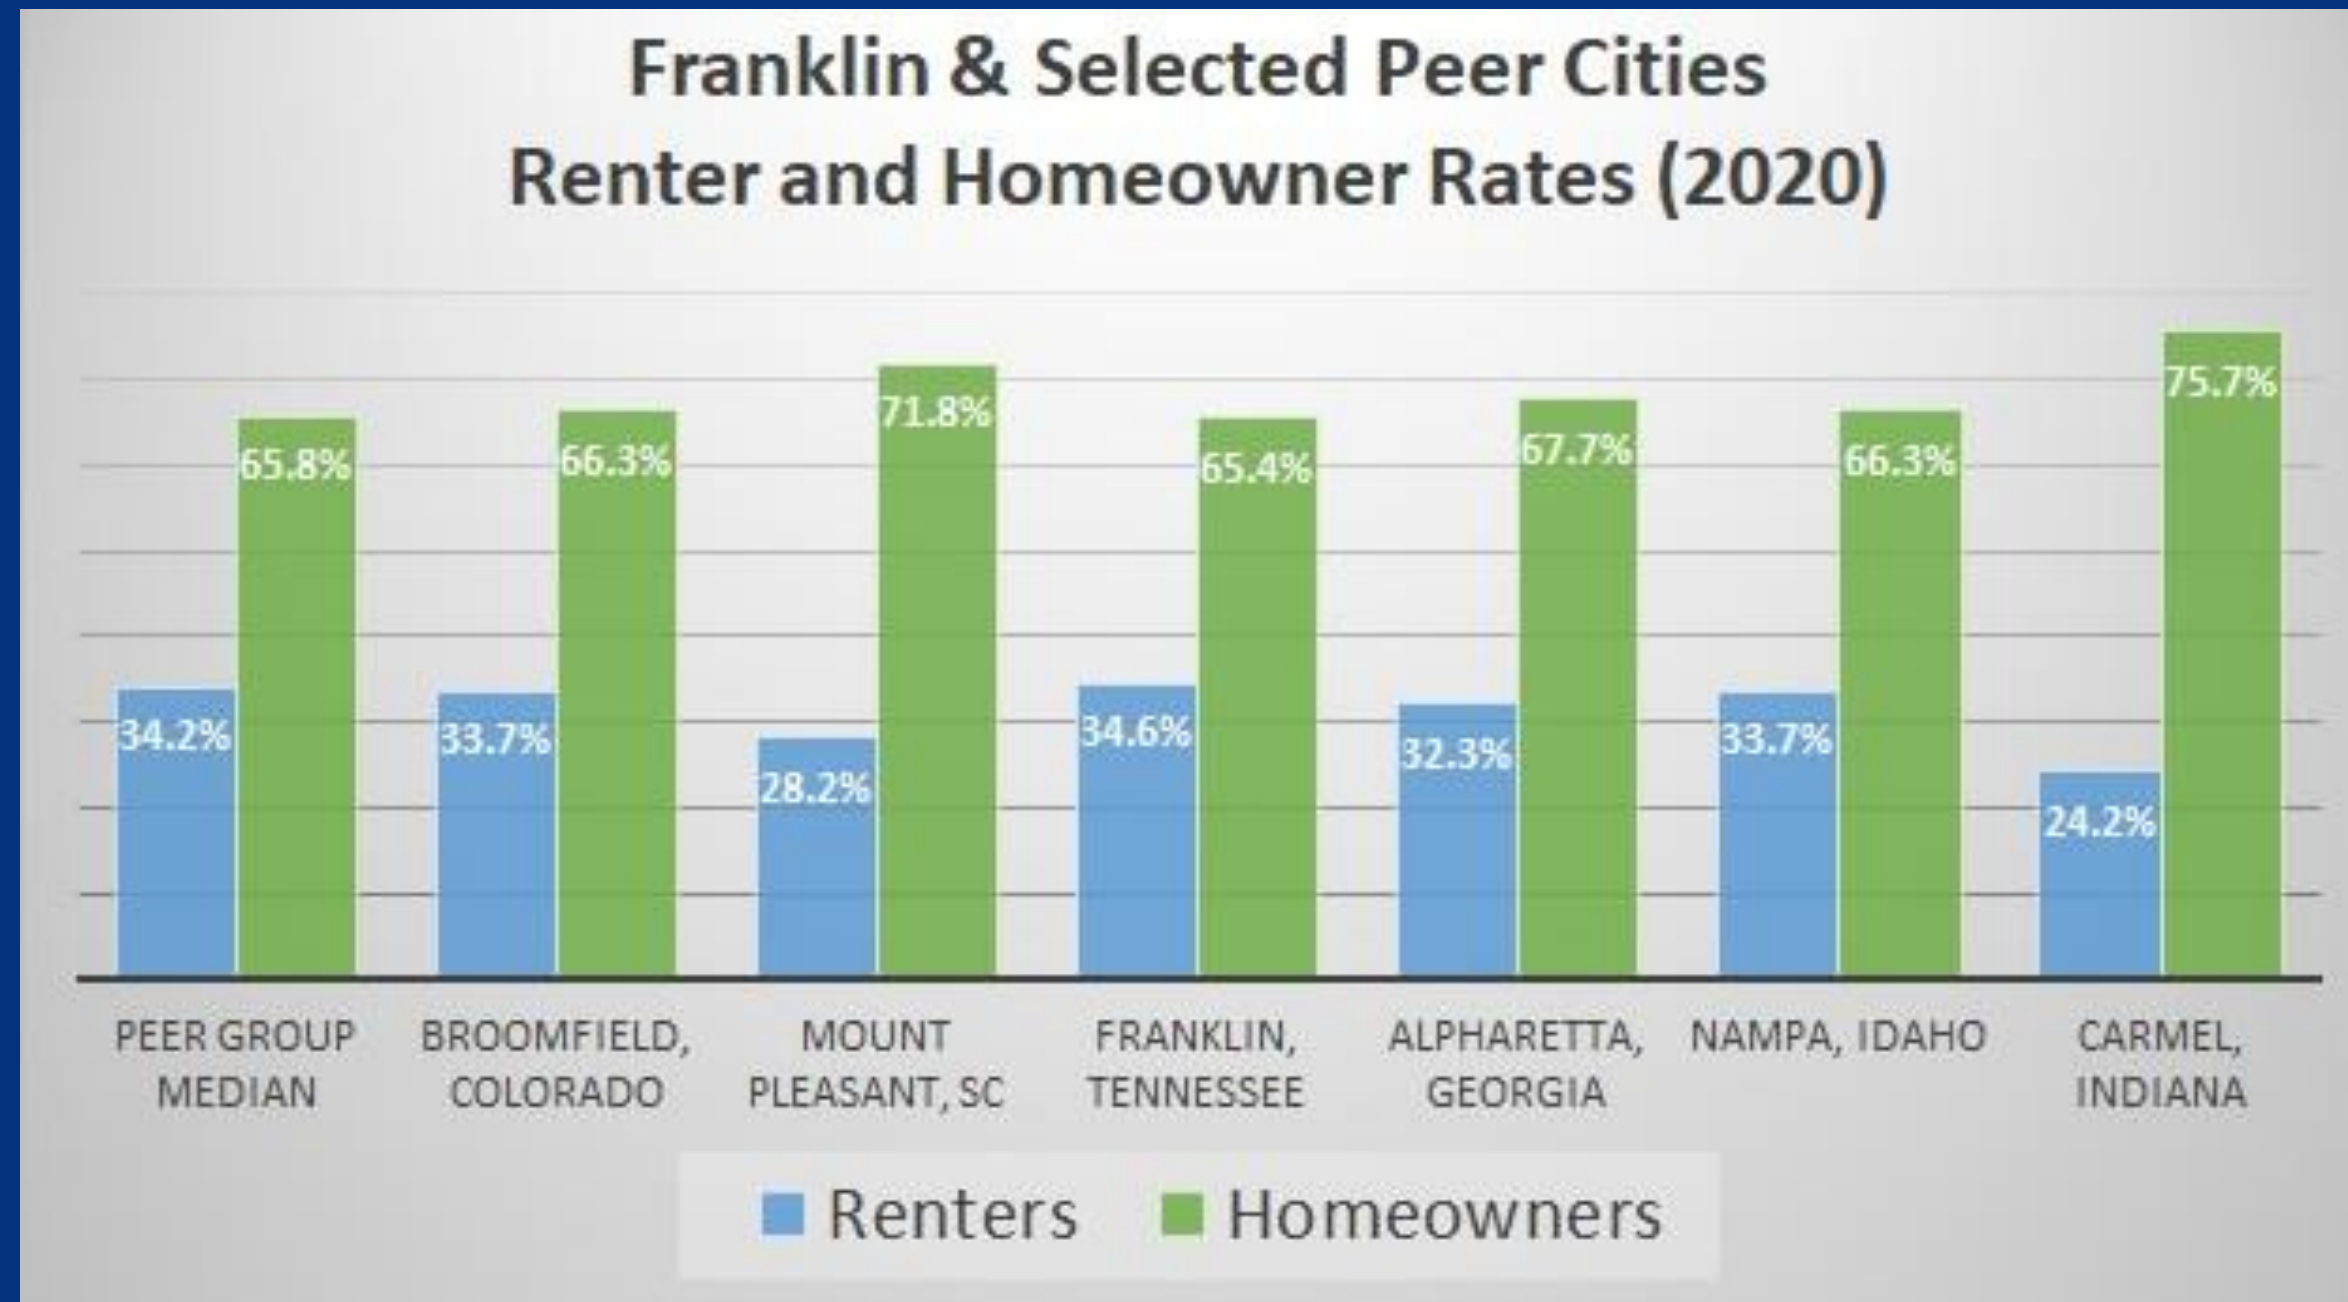

# WHAT ARE THE FEATURES OF A HEALTHY HOUSING MARKET?

- Available, affordable, and accessible homes
- Senior-friendly housing stock
- Opportunities for first-time homebuyers
- Increased options for in-commuters
- Reduced housing cost burdens

## THE NATIONAL COMMUNITY SURVEY

Franklin & The Future of Housing  
April 13, 2023

# A SURVEY TO MEASURE LIVABILITY

The National Community Survey is a formal, scientifically valid survey designed to measure a community's "livability," or "the sum of the factors that add up to a community's quality of life."

Mailed in Fall 2022 to 2,800 randomly selected residents and offered as a City-wide open web-based survey.

- Mailed survey: 448 completed responses
- Online: 217 completed responses

# SURVEY RESULTS: HOUSING

- About half of respondents identified affordable housing or managing growth as the top important challenge facing the city.
- Four in 10 residents gave positive ratings for the variety of housing options.
- Less than 2 in 10 offered positive ratings for the availability of affordable quality housing.

# SURVEY QUESTION

---

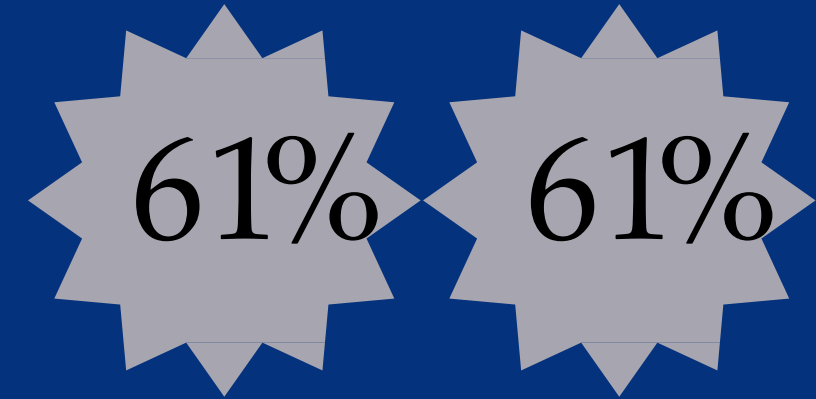

How important is it for the City to enhance each of the following services or amenities?

*Top Interest*

**Affordable or  
workforce housing**

73% of respondents said affordable or workforce housing is essential or very important.

*Tied for second place*

- **Regional transit**
- **Greenway connectivity**

61% of respondents said regional transit and greenway connectivity is essential or very important.

# SURVEY QUESTION

---

Aside from transportation (traffic) related issues, what is the most important challenge or problem facing Franklin today?

“Housing affordability and a variety of housing options for residents (potential residents).”

“Creating affordable opportunities, housing and employment to all of the city's residents. Not just the most affluent.”

“Affordability -- I don't know what to do about this though. Franklin is exceptional which drives up housing prices and taxes and costs in general.”

“Lack of affordable housing options. Teachers and essential workers will not be able to live in Franklin.”

# SURVEY QUESTION

---

Aside from transportation (traffic) related issues, what is the most important challenge or problem facing Franklin today?

“Connectivity from my neighborhood to downtown via safe sidewalk/bikeways.”

“Lack of sidewalks.”

•“(1) Roads & traffic (2) Roads & traffic (3) Un-checked residential growth & impact on schools.”

•“I was born & raised here. I understand for economic growth we need to grow but I cant go anywhere in Franklin w/out traffic anywhere. The roads and space cannot keep up w/ the growth rising so quickly.”

# Housing and Transportation

---

## CONNECTIONS

Franklin & The Future of Housing  
April 13, 2023

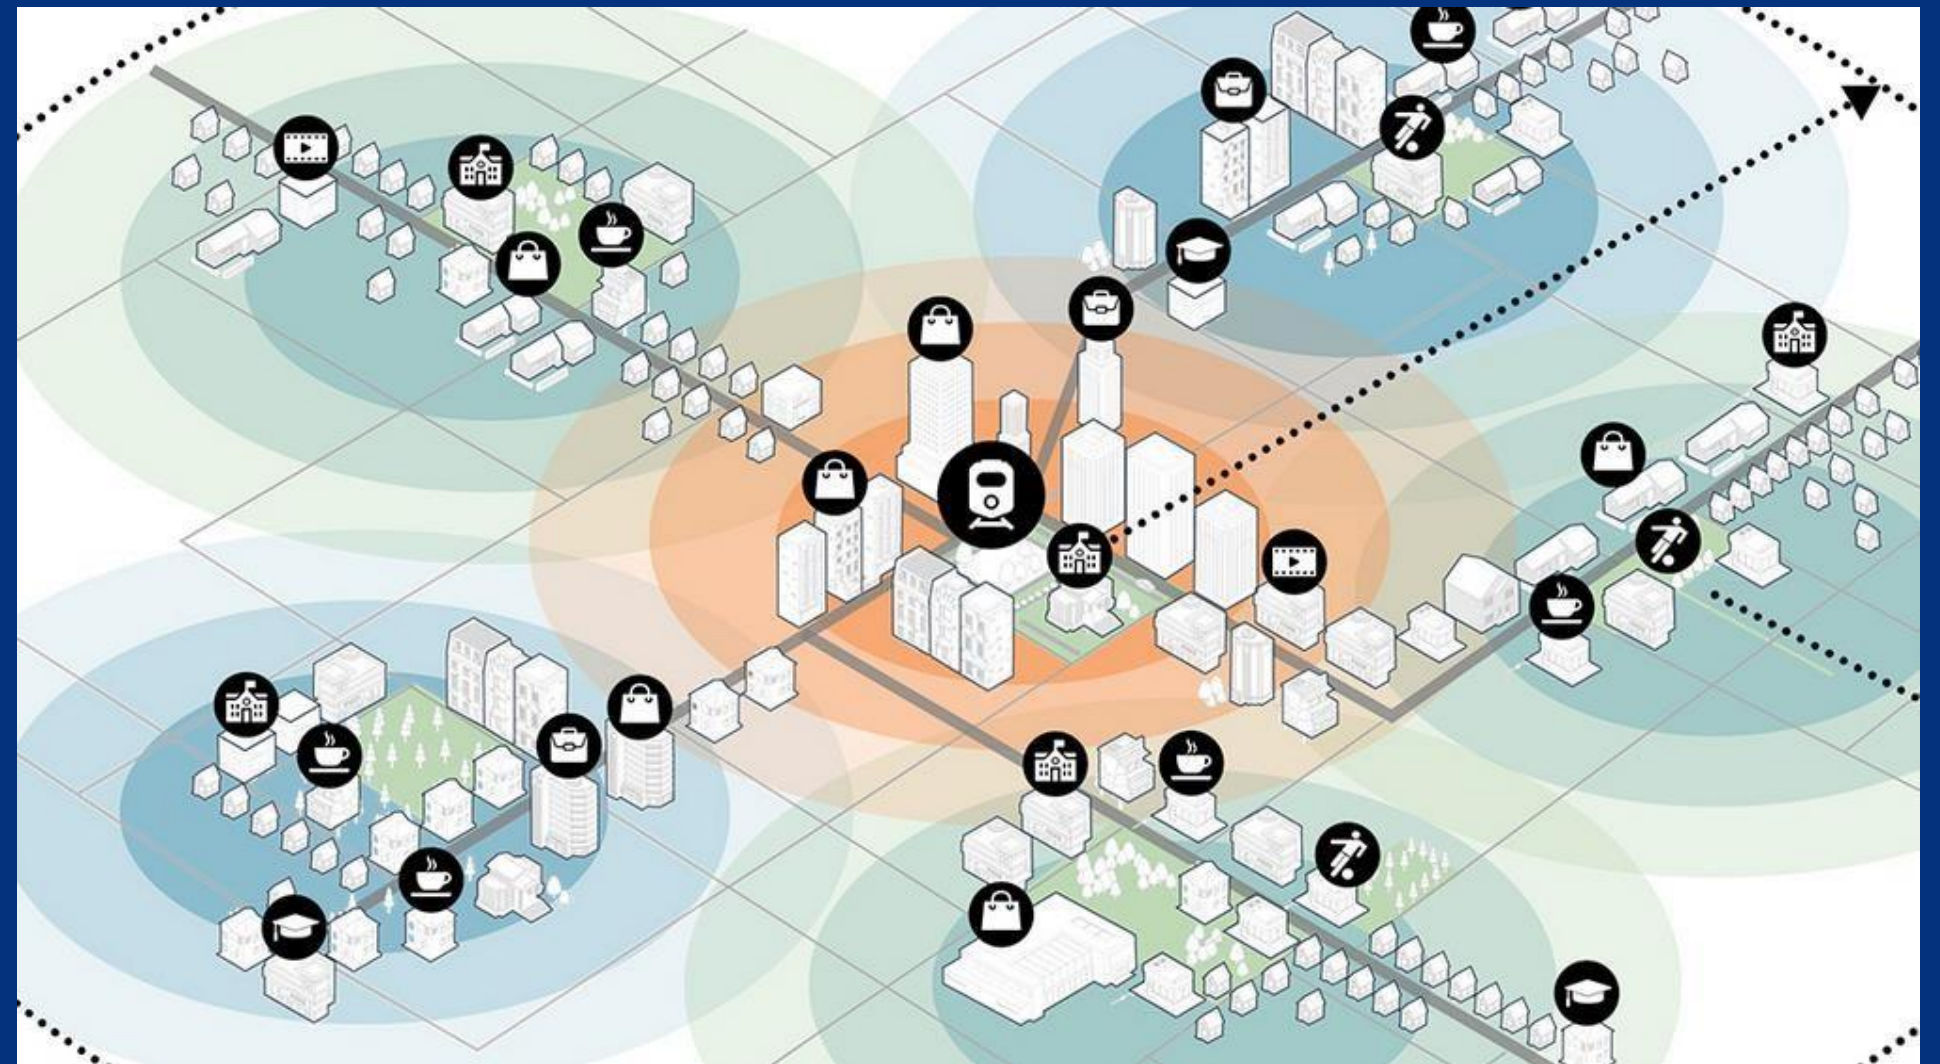

# QUALITY OF LIFE AND TRAFFIC

- Concerns that more housing = more cars = more traffic
- Expanding safe and convenient opportunities for non-automobile transportation improves mobility and quality of life for all.

# THE 20-MINUTE SUBURB (COUSIN TO THE 15-MINUTE CITY)

- Create more livable, walkable, and human-focused suburban neighborhoods
- Encourage connected communities that reduce auto-dependence.
- Prioritize housing options to support these goals.

*Source: Skidmore Owings Merrill, Suburban Reinvention (2022)*

# ALPHALOOP -- ALPHARETTA, GEORGIA

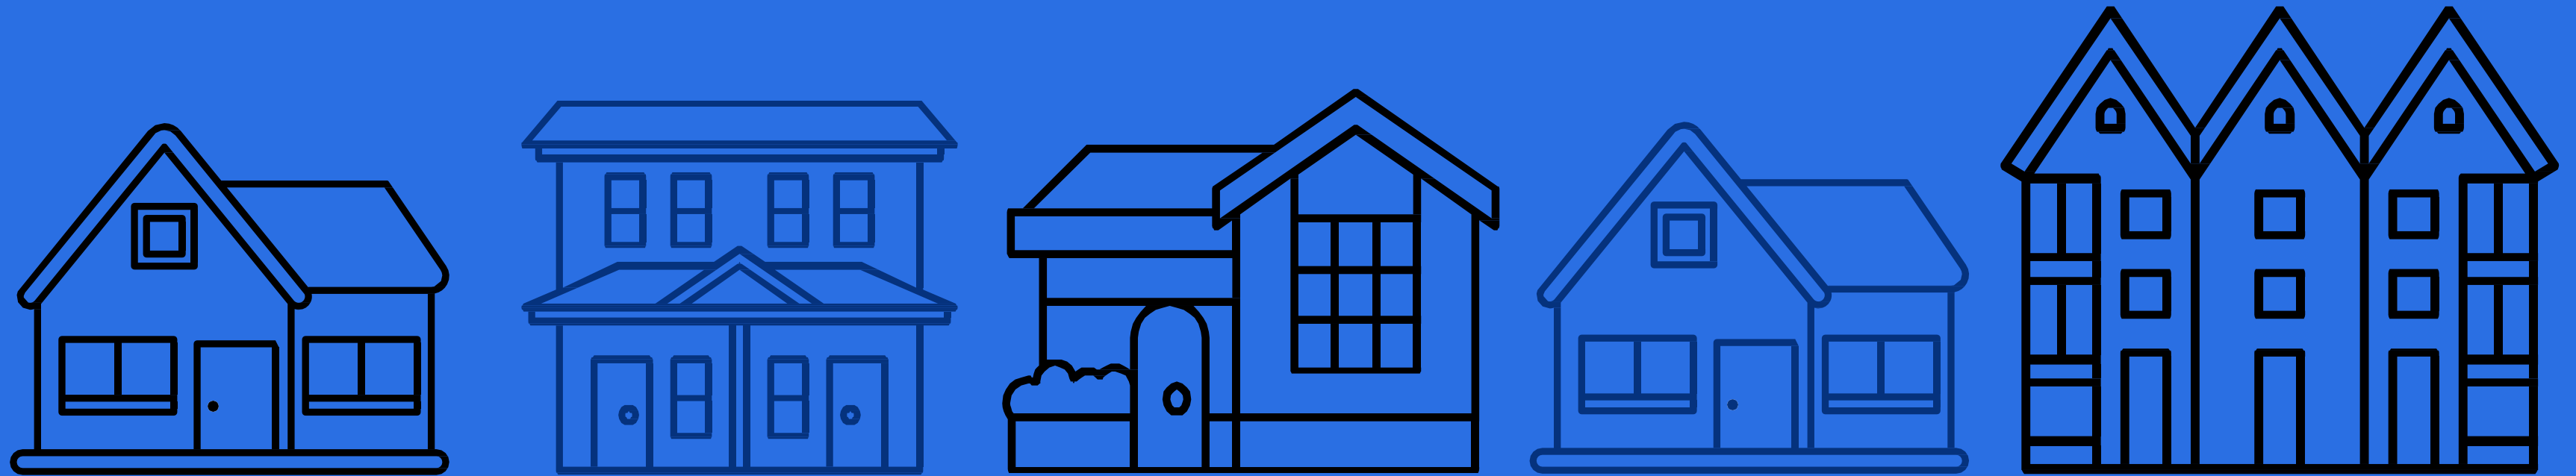

- The Alphaloop is a connection of multi-use trails which will tie together four of Alpharetta's main activity centers.
- Goals: better connect neighborhoods, improve travel and mobility, spur economic development, and elevate the overall quality of life.
