Resource Corner:

The Actalent Community App is HERE!

The Actalent Talent Community mobile app is a resource **exclusively available to current and former Actalent consultants.**

The platform allows you to stay in touch with your Actalent team, review your assignment details, access key resources (such as expense reports and tax information), and plan for the next step in

your STEM career.

Download the app today!

Plus, [check out this short video to learn more about the app.](#) If you don't have an Actalent Talent Community account or have questions about accessing your account, email us at actalentapp@actalentservices.com.

Actalent Services Leadership Opportunities

As part of the GO Program, **we are committed to offering you opportunities to challenge yourself in new industries, positions, and lines of work.** In addition to contract positions, we offer project-based and full-time opportunities. **You can be a part of innovative engineering and science initiatives** by working on life-changing medical devices, conducting innovative clinical research, advancing software development, or leading a variety of projects across STEM fields.

Event Spotlight: Celebrating Engineering Excellence

Black Engineer of the Year Award (BEYA) | February 9-11, 2023

Actalent was proud to sponsor the 37th annual BEYA STEM Conference! This year, 10 Actalent consultants received awards and recognition for impacts they've made in various STEM industries.

Amanda Neuenfel

Tim Chang

Social Corner: Latest Consultant Shoutouts

“My favorite aspect of my current job at Actalent is the variety of work. I love that every day presents me with different challenges. This has meant that I’ve had an opportunity to gain an understanding of the industry and develop my problem-solving and organizational skills.”

- Abid A.

“She started as being just a recruiter to me who I thought would give me a position and that would be it. **Little did I know, she’d become an amazing mentor to me!** This is my first adult job and she’s been so insightful and helpful with making my transition smoother. **She’s been responsive to even the smallest of questions.**”

- Alda S.
