Bonds are back. Yields are attractive again, and the outlook for fixed income has improved dramatically since the gloom of the past several months. But which bonds should you consider? Security selection in this market is vital, and investors still need to exercise caution. Head of fixed income Mike Gitlin discusses today's reinvigorated bond market with fixed income portfolio managers Damien McCann and Vince Gonzales during this live event at the New York Stock Exchange celebrating Capital Group's new fixed income ETFs.

Date recorded: Thursday, December 01, 2022

Mike Gitlin is head of fixed income at Capital Group. He has 28 years of investment industry experience (as of 12/31/2021) and has been with Capital Group for seven years. He holds a bachelor's degree from Colgate University.

Vincent J. Gonzales is a fixed income portfolio manager with 15 years of experience (as of 12/31/2021). He holds an MBA from Harvard Business School and a bachelor's degree in management science & engineering from Stanford University.

Damien J. McCann is a fixed income portfolio manager with 22 years of industry experience (as of 12/31/2021). He holds a bachelor's degree in business administration with an emphasis on finance from California State University, Northridge. He also holds the Chartered Financial Analyst® designation.
