WASHINGTON UNIVERSITY IN ST. LOUIS

# WashU Welcome Party Event Passport

WashU's network of alumni, parents, and friends spans the globe. However, you do not have to travel the world to find meaningful opportunities to engage with the WashU community. More than 26,000 alumni, parents, and friends live in the Tri-State area. Whether you are interested in meeting alumni and parents who share your culture or professional interest, mentoring students and recent graduates, or volunteering, there are many ways to get involved in your area!

Please visit each table at the event to meet our Tri-State area volunteers and University Advancement staff and learn about the various networks and volunteer opportunities available. Be sure to get your passport stamped at each stop! If you get it stamped at two or more tables, stop by the registration table on your way out for a gift!

*Bon Voyage!*
