

**Title of Lesson:** Snow globe wishes

**Date of Lesson:** \_\_\_\_\_

**Learning Goals:**

- students will gain knowledge on getting together with their community
- students will gain knowledge on winter traditions
- students will be able to cut things out and glue them

**Learning Objectives (of the lesson):**

- **students will cut out a snow globe template and will glue the picture of themselves to it.**
- **students will decorate the snow globe**

**Materials & Equipment Needed:**

- promotion to play the book, or the book in hand that I will read
- printed out snow globe outline
- printed picture of themselves that I will take
- cotton
- paint
- markers
- crayons
- scissors
- any stickers, decorations I find that they can decorate their snow globes with

**Introduction:**

- Have students sit and listen to “snow globe wishes” to learn about communities in the winter

**Procedures:**

- **Students will listen to the book “ snow globe wishes”**
- **Talk about the book**
- **Get ready to make their own snow globe**
- **Have them cut out a picture of themselves and glue it onto the snow globe cut out**
- **give them paint/cotton to glue on to their snow globes for snow.**
- **make sure they all have crayons and decorations**
- **They will decorate the “snowglobe” how they would like and they can bring it home as an ornament**

**Evaluation/Assessment:**

- I will look at their finish project to see if they correctly put themselves in the snowglobe and decorated it fun.
