El Camino walks away victorious against Bakersfield

The Warriors football team took the field at Murdock Stadium for the first time during its 2022-'23 season on Saturday, Sept. 10. Despite a postponed season opener against the Santa Monica College Corsairs, initially scheduled for September 3 due to "health concerns", the Warriors left the field with a 30-20 victory. The Renegades came into week two with a 59-12 victory against Pierce College in their season opener.

The Renegades struck first with a 57-yard touchdown pass, catching the Warriors' secondary flatfooted. During its first possession, the Warriors turned the ball over on downs after a 23-yard kickoff return, and a 7-yard run by freshman running back Marceese Yetts.

El Camino's first game jitters

would begin to shake off in the first quarter with the Warriors' wide receiver, Joshua Lorick, being the team's catalyst for gaining momentum. Lorick would go on to finish the game with five catches, 40 yards and one touchdown, one kick return for 18 yards, and two punt returns for 30 yards.

The Union spoke with Lorick after the game and said without hesitation, smiling from ear to ear, "I feel good." After the first-half scare, the Warriors' defense would hold the Renegades to 7 points in the second half, ending the game on top 30-20.
