

# ALL I WANT FOR CHRISTMAS IS...

By Ally Soriano

Ah, Christmas. The best time of the year to let out your bad, entitled self. Whether it's something material or just an experience you want to share with someone, we can't deny that there are some things we wish were just that easy. In this day and age when everyone just wants more, more and *more*, let's look at what some of our fellow students are hoping to find waiting for them come Christmas morning.

- ★ Someone to hold; someone to love
- ★ A guitar and new books
- ★ A Sony a6300
- ★ The ability to grow a full beard
- ★ A thicc girl
- ★ To spend an entire day watching movies and eating fried noodles with my two best friends
- ★ A woman to drink hot chocolate and watch Christmas movies with
- ★ My girlfriend back
- ★ A puppy
- ★ A passing grade
- ★ 1) A boyfriend  
2) see #1  
3) see #2  
4) see #3  
5) see #4
- ★ To be happy
- ★ Money to pay off my debts
- ★ To be left alone
- ★ Sleep
