

# FAQs

Do you accept insurance?

Yes! Visit [CraneCTS.com/insurance](https://www.cranects.com/insurance) for more information!

How old do I need to be to schedule a consultation?

We exclusively serve patients ages 18 and older.

Do I need letters to schedule a consultation?

Letters are not required for your consultation but will be required to schedule surgery.

Email [letters@cranects.com](mailto:letters@cranects.com) for any questions.

How quickly will I hear back to schedule my consultation?

We pride ourselves on contacting patients within no more than 2 business days.

How long does it take to schedule surgery from my consultation?

We typically say 6-12 months, but please know there are surgery requirements that must be completed that are patient-specific.
