### SUMMARY & LIFE PHILOSOPHY

Seasoned technical writer specializing in docs-as-code and enhancing the developer experience. Passionate about Markdown, API docs, GenAI, blockchain networks, and decentralization.

Carry a growth and accountability mindset, striving for daily self-improvement, increased efficiency, and principled action.

Actively studying Python, JavaScript/TypeScript, API documentation methods, AI tools, and blockchain networks with the goal of contributing to a mission-focused, technical team.

### EXPERIENCE

—Vice President, Engineering Division 01/2024 - 04/2025

#### Goldman Sachs

- Helped take our internal developer portal from 0 to 300+ products, with 14k monthly active users, 560k monthly page views, hundreds of contributors, and 5k total pages of documentation.
- Evangelized EngHub, docs-as-code, and good documentation across GS Engineering.
- Managed a summer intern on the developer team.

Associate, Engineering Division 01/2022 - 12/2023

Senior Analyst, Engineering Division 07/2020 - 12/2021

—Technical Writer 3 04/2019 - 06/2020

#### Microsoft

Redmond, WA

- Helped maintain Azure Stack, Azure Media Services, and Joint Enterprise Defense Infrastructure (JEDI) documentation while focusing on editing, freshness, and SEO optimization.

—Technical Writer 04/2016 - 03/2019

#### Adobe

Lehi, UT

- Created technical documentation for Adobe Experience Cloud. This entailed content production and strategy, editing, publication, release notes, and attaining cross-product proficiency.

—Content Manager 03/2011 - 04/2016

#### Diamond Wireless

Sandy, UT

### TRAINING / COURSES

#### Learn Python 3

#### Swagger and the Open API Specification

#### API Technical Writing 1: JSON and XML

#### API Technical Writing 3: The Art of API Documentation

#### Mastering Ethereum

#### Learn JavaScript

#### Coding for Writers: Basic Programming

#### API Technical Writing 2: REST

#### Automate the Boring Stuff with Python

#### Scrum Master Training

### SKILLS/TOOLS

docs-as-code · dev/API docs · end user doc · CI/CD · information architecture · SEO · project mgmt · DevRel/DevOps

VS Code · Git (CLI) · GitLab/GitHub · Linux (WSL2) · Jira · Postman · static-site generators (MkDocs · Sphinx) · Redocly · Swagger/OpenAPI · FastAPI · Jupyter Notebook · AI/LLM tools · Pandoc · Confluence

### LANGUAGES

English/Spanish	Fluent
Markdown	Expert
reStructuredText	Intermediate
HTML/CSS	Intermediate
XML/JSON/YAML	Intermediate
Python	Actively Learning
Javascript/TS	Basic/Learning

### EDUCATION

#### Tech Comm Certificate

University of California, Riverside (4.0 GPA)

#### B.S., Sociology

University of Utah

### AWARDS AND ACHIEVEMENTS

- Engineering Tenets Award — Goldman Sachs
- 2024 Goldman Sachs Chess Tournament finalist
- 2016 President's Club (Diamond Wireless)
- 1937 personal best Glicko rating for blitz chess
- 315/435/545 personal bests in power lifting
