The flexibility veterans want, plus **money** back

Get [\$X] back every month in your Social Security check for the Part B premium*

We could all use a little money back in our pockets. And that's just what you'll get with the Humana [USAA Honor Giveback] plan. Designed with veterans in mind but available to anyone with Medicare, these plans work with your VA benefits to give you coverage, flexibility, and convenience you won't find with Original Medicare alone. They're the only Medicare Advantage plans created in partnership with USAA.

See how the full Humana Honor® portfolio of plans can complement your VA coverage and give you access to a large network of providers, with benefits like:

[\$0 monthly plan premiums]

[\$0 copays for in-network mental health visits—virtual or in person]

[Dental, vision and hearing coverage]

[Freedom to get care close to home with access to doctors, [pharmacies (on Rx plans)] and hospitals outside of the VA healthcare system]
