**Copy:**

Caregiving is never easy

30

**Copy:**

It's especially hard to care for yourself  
when you're in a caregiving role

31

**Copy:**

Many caregivers neglect their own health  
and well-being

# Cheryle/Autism Awareness

32

Cheryle McCarthy is responsible for her 15-year-old grandson

33

33

He has autism and ADHD

34

34

By the time Cheryle retired, she was overweight and diabetic—while her grandson was underweight

35

35

Together, they decided to learn about healthy habits and proper diet

36

“  
I cleaned up my cabinets and refrigerator of stuff that my grandson doesn't like and I shouldn't eat.  
”—Cheryle

37

Cheryle knew if she didn't make her own health a priority, she wouldn't be able to care for her grandson's needs
