BECAUSE YOU GIVE!

I'm so grateful for people like you with a heart to spread the Gospel! Your gifts, prayer and encouragement are vital for sharing Christ with people who desperately need Him!

When you give, you help support me and other TEAM missionaries as we live and minister around the world. You provide living essentials, ministry funds and core support from TEAM's home office. You give missionaries like me the tools we need to thrive on the mission field. And because of you, more people will get to hear the Gospel every day!

Thank you for your support!

ABOUT ME

This is a space reserved for you to talk about yourself. Start with some history about where you grew up, where you went to school, where you have worked, your family, etc.

Write about your passions and how that led you to missions. Let people know where you will be serving on the mission field and what you will be doing there. Give those reading your brochure an inside look at your specific mission work and help them feel like they are a part of your story.

TEAM's vision is to help churches send missionaries to establish reproducing churches among the nations to the glory of God.

How Is Your Money Used?

Before I leave for the mission field, I must raise funds to cover living, ministry and field support expenses. These donations are not direct gifts to me but to TEAM, my missions agency. TEAM will process your donation and send me a support check every month. Your donation will also help cover vital missionary services such as spiritual coaching, recruitment of other missionaries and more. Because these services are given to every TEAM missionary, your donation will help support missionaries around the world!

Who Is TEAM?

TEAM is a global missions agency dedicated to helping churches send missionaries wherever the Gospel needs to be heard. They are a trusted member of the missions community, having made disciples for over 125 years. As my missions agency, TEAM will process my support, give guidance on the field, provide personal member care and more. I am grateful for your partnership with TEAM and with me!
