

The gospel is simple: Do better, give more, obey the pastor and God will bless you. At least, that's what Gerald learned from the churches in Guatemala.

When evangelicalism came to his country, the prosperity gospel came with it in full force.

Now, many Guatemalans have only ever heard a false gospel based on works.

That's why TEAM missionaries and local believers started Iglesia Reforma, a church focused on teaching the true Word of God.

You can equip churches to speak the true gospel.

Iglesia Reforma welcomes people who have lost faith in the prosperity gospel and invites them to a vibrant faith in God.

“I remember how freeing it was to understand that faith isn't just to believe that God gives me what I want, but to trust in his will in spite of that not being what I want,” Gerald says.

Now the church has grown so large that they don't even have places for everyone to sit.

Please give so needy churches can welcome all who seek the Truth.

So many churches like Gerald's are eager to share the gospel but are held back by a lack of simple resources like chairs or sound equipment. Your gift can make a difference not just for a church but for the entire community that surrounds it!
