

Dear Friend,

Last week, we introduced you to Libia and Julio and shared how friends like you changed their lives. It was awesome, and we can't thank you enough!

But this week, we have another surprise for you. We want to take you *inside* the church where this former couple began a new friendship in Christ.

If you've given to TEAM or prayed for our missionaries, you had a part of planting this church. So, we want you to meet more of the church members. We want you to hear their testimonies. And we want to thank you for all you've done to reach the lost!

[Click here to watch your special video.](#) And thank you for doing all you can to share Christ's name around the world!

In Christ,

Your friends at TEAM
