

I Saw the SIGN: A Discussion on the Mental Health of Children with Special Needs and Filipino Sign Language (FSL)

ACLE 2022 PARTNERSHIP PRIMER

WHO WE ARE

The **University of the Philippines Volunteers for Children (UP VFC)** is a service- oriented, non-stock, non-profit, university-wide, student-led organization duly recognized by the University of the Philippines Diliman.

UP VFC is composed of student volunteers from different academic backgrounds united to advocate for the rights of every Filipino child.

In recent years, UP VFC has progressed to prioritize volunteerism that is participatory, sustainable, and empowering to our partner communities. We aim to ignite hope and provide support to children who are experiencing the ill effects of economic, social, and political inequalities.

MISSION

To provide support services for the Filipino children and consequently, their families, and to ignite the spirit of volunteerism in the Philippines.

VISION

To build a society with Filipino children who are well-adjusted, healthy, and secure.

RECOGNITIONS

Received the "2020 Ignacio B. Gimenez Award for UP Student Organizations' Social Innovation Project Excellence Award" for Playtime 2020

Received the "2021 Ignacio B. Gimenez - UP Student Organizations' Social Innovation Projects Award for Education and Literacy" for Bahay Eskuwela

I Saw the SIGN: A Discussion on the Mental Health of Children with Special Needs and Filipino Sign Language (FSL)

ABOUT THE EVENT

I Saw the SIGN: A Discussion on the Mental Health of Children with Special Needs and Filipino Sign Language (FSL) is an event organized by the UP Volunteers for Children as part of this semester's Alternative Classroom Learning Experience (ACLE).

ACLE is a university-wide event in the form of student formation-led webinars, fora, symposiums that consist of outside-the-classroom education experience based on the orientation of respective UP Diliman formations. And as a recognized organization in the university, UP VFC will be joining this semester's ACLE to echo our advocacies, in hopes of contributing to a more inclusive society for every child. In pursuant to the organization's goals, this event is intended to discuss the mental health of children with special needs and conduct a workshop on Filipino Sign Language, to be held on April 4, 2022, from 5:00 PM to 7:00 PM via Zoom Virtual Conference.
