# WHAT WE LOVE ABOUT DECEMBER

WHAT YOU NEED TO DO, SEE, HEAR, AND TALK ABOUT RIGHT NOW

## 1. COOL AS ICE

Scandals, it turns out, aren't always as they seem. See: *I, Tonya*, the film-festival darling, starring Margot Robbie, that tells the triumphant and tragic life story of Olympic figure skater Tonya Harding, in theaters December 8.

## 2. OUT OF THIS WORLD

Dreamy indie-pop singer/songwriter Lana Del Rey is hitting the road. Her LA to the Moon tour (featuring guests Jhené Aiko and Kali Uchis) kicks off January 5 with 24 stops across North America. Sing your lungs out to her latest album, *Lust for Life*.

## 3. GOOD TALK

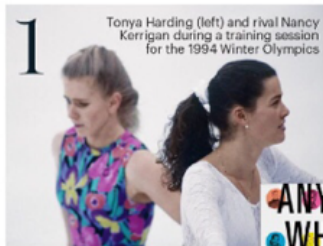

What's better than a juicy celebrity interview by a veteran reporter who knows how to get a great scoop? An entire book of them. Check out *Anyone Who's Anyone: The Astonishing Celebrity Interviews, 1957-2017* by George Wayne (Harper), out December 5.

## 4. ART OF GOLD

Winter blues? Warm up at Art Basel in Miami Beach from December 7 to 10. The annual art event will show off modern and contemporary paintings, installations, photography, and more from top galleries around the globe. Oh, and did we mention the after-parties?

## 5. TIME TRAVEL

Step inside the stunning past, present, and future worlds of Louis Vuitton: "Volez, Voguez, Voyagez - Louis Vuitton," the first major North American exhibition for the iconic fashion house, is on display at the

1 Tonya Harding (left) and rival Nancy Kerrigan during a training session for the 1994 Winter Olympics

former American Stock Exchange building (86 Trinity Place) in New York City through January 7.

## 6. FUNNY GIRL

Meet your new girl crush: *The Marvelous Mrs. Maisel*. In the Amy Sherman-Palladino-helmed dramedy series, now streaming on Amazon, Rachel Brosnahan plays a 1950s housewife who finds her voice on the stand-up comedy stage.

## 7. CHEERS UP

Did we just hear a cork pop? December 31—you know, New Year's Eve—is National Champagne Day.

## 8. HAPPY ANNIVERSARY

Simply Vera Vera Wang is turning 10, and the brand is celebrating with a special capsule collection of monochromatic pieces and accessories in Wang's signature wear-anywhere style, available exclusively at Kohl's and kohls.com. Consider it a present from the closet gods. (Capsule collection, from \$32; kohls.com)

## 9. PACKAGE DEAL

Forget Santa. Give yourself a gift set from L'Occitane's covetable holiday collection, like this way-cooler take on traditional Christmas crackers, featuring bath cubes, shower oil, and more. (Crackers Collection, \$34; usa.loccitane.com)
