style and sustainability*

# REVIVE

**Do good. Look good. Feel good.**

## **Brand Summation**

**Revive is a free magazine that is the gospel for all things sustainable fashion. We bring cutting-edge narratives about the fashion industry into the spotlight to inspire mindful consumption. Our mission is to represent alternative ethical fashion choices that will leave our readers feeling as good as they look.**

## **Our Reader**

**For the climate conscious individual who is as invested in fashion as they are in preserving the planet.**
