

# Nina Donoghue

## ABOUT ME

I'm a multi-media journalist versed in developing editorial and interview pieces, as well as a podcast. Since founding my own site Golden Audio Music, I've written for print, online outlets, and e-newsletters. I also have experience working in PR for venues and record labels. Extremely self-motivated and eager for new challenges, especially in group settings. A bit of a pop culture nerd.

## EDUCATION

2017-2020 • New York University  
Majors in Journalism and Music

2017 • Harvard Extension  
Courses in Journalism

2014-2017 • Smith College  
Major in Music, Minor in Sociology

## SKILLS
