Hello *IFNAMEI*,

The Zaltana expedition will surprise you! Get to know the boat that will take you on a River Cruise in the Amazon. Embark on an adventure of a lifetime in the exclusive and unique Zaltana.

Solarium deck

The upper solarium deck of the boat is made for you to **see the best panoramic views** and **stretch out on the chairs to sunbathe**. The place is very comfortable, with showers and tables, and it will probably be one of your favorite and exciting relaxing spaces, drinking good and **enjoying the vibe of the Amazon**.

The best Amazon's pure flavors

The crew will warmly welcome you with daily tropical juices and prepare **freshly made meals with Amazonian local ingredients** for all dietary preferences. Taste new flavors and the different kinds of river fishes in well-served buffets.

Accommodation with suite and air conditioning

Opening the curtain of your room and enjoying nature at any time is an amazing feeling. With **10 air-conditioned suite cabins**, standard American beds, and good hot showers, so you can enjoy your **amazon adventure with ultimate comfort**, a tailor-made experience. The **private bathrooms** are accompanied by a hairdryer and amenities like shampoo, shower gel, and tissue.

Navegação confortável

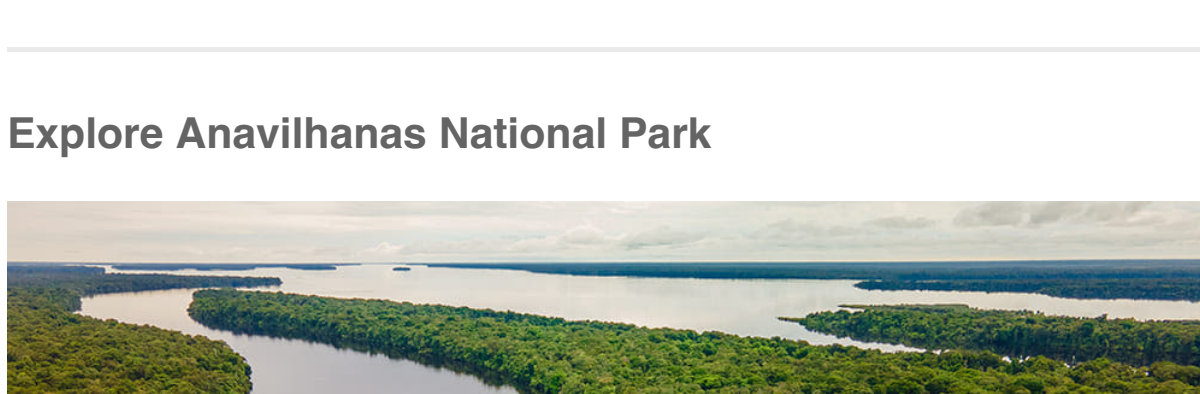

Navigate on a quiet, stable, and safe boat, through the waters of the 7th largest river in the world: Rio Negro. The boat was built in 2016/2017, an **innovative project to attend to the most demanding clients**. We will cruise through the Amazon Forest in a boat with fast and silent engines, spacious rooms, and accommodations, with a free ceiling height of 2.20 meters. You will have the opportunity to take **speedboat tours to go out into the forest** to see the diversity of the environment.

High quality crew

The Zaltana crew developed from this great onboard adventure to the very beginning. Trained and specialized for this route, a **friendly team works carefully to make you feel at home on these unforgettable days**. With international standards, the quality of service offered at Zaltana makes all the difference to your experience.

Explore Anavilhanas National Park

Let's explore the **second largest river island in the world**, the Anavilhanas National Park, with more than 400 islands and 60 lakes in **130 km of extensive biodiversity**. A unique setting that offers countless possibilities for sensations, learning, and experiences, such as **water trails by speedboat through the flooded forests**, meeting with amazon river dolphins, observation of wild animals, bathing in the warm waters of the Amazon, and visiting traditional local communities. An invitation to challenge our limits and expand our vision of the world.

Support the local communities and sustainable travel in the Amazon, Brazil.
