ABOUT THE AUTHOR

Heath White
(Ph.D.,
Georgetown
University) is a phi-
losophy professor
at the University of
North Carolina in
Wilmington, North Carolina.

An introduction to post- modernism that you don't need a philosophy degree to understand

- Explains the historical roots and philosophical background of the topic
- Written with lay readers and students in mind
- Brief and accessible

Finally, here's a book about postmodernism that you don't need a philosophy degree to understand.

In *Postmodernism 101: A First Course for the Curious Christian*, Heath White offers a brief and accessible introduction to the ideas of postmodernism and its relationship to Christianity. White paints the historical and philosophical background underlying postmodernism in understandable, but not oversimplified, language. He then describes what postmodernism means to our view of self, language, thought, the search for knowledge, and culture.

White invites Christians who otherwise might have avoided postmodern theorizing into this important dialogue with questions for further thought after each chapter and suggestions for future reading. This book is ideal for students as well as curious pastors and lay readers.

ABOUT THE AUTHOR

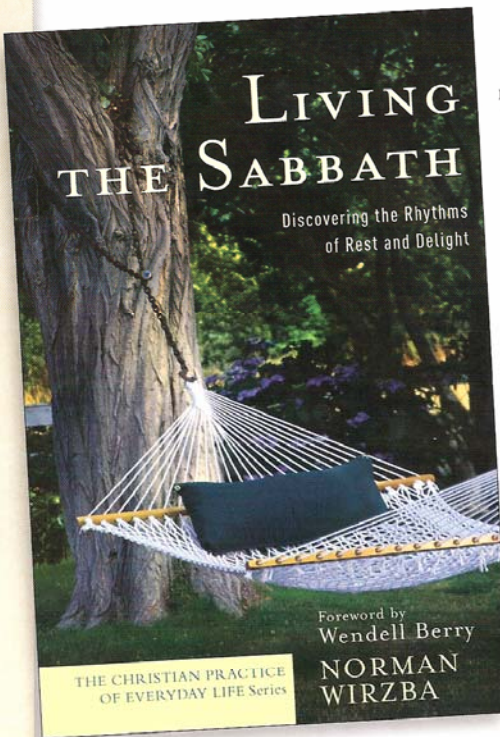

Norman Wirzba
 (Ph.D., Loyola University, Chicago) is associate professor of philosophy and chair of the

department at Georgetown College in **Georgetown, Kentucky**. He is the author of *The Paradise of God: Renewing Religion in an Ecological Age*.

Rediscover the Sabbath as a way to share God's delight in his own creation every day

- Unpacks the meaning of Sabbath and offers practical ideas for keeping Sabbath that goes beyond Sunday
- Shows the importance of Sabbath as a way of life
- Foreword by Wendell Berry

Sabbath is one day a week when we should rest from our otherwise harried lives, right? In *Living the Sabbath*, Norman Wirzba leads us to a much more holistic and rewarding understanding of Sabbath-keeping. Wirzba shows how Sabbath is ultimately about delight in the goodness that God has made—in everything we do, every day of the week. With practical examples, Wirzba unpacks what that means for our daily lives at work, in our homes, in our economies, in school, in our treatment of creation, and in church. This book will appeal to clergy and laypeople alike and to all who are seeking ways to discover the transformative power of Sabbath in their lives today.

Conversations
with Poppi about
GOD

ROBERT W. JENSON
AND SOLVEIG LUCIA GOLD

Come and listen in as one of the world's most respected theologians talks theology with his eight-year-old granddaughter. In *Conversations with Poppi about God*, Robert Jenson and Solveig Lucia Gold share with us their unscripted, spontaneous talks about everything from the meaning of the Trinity to what God looks like. The result is a charming and enlightening book that reminds us all we have a lot to learn from theologians and from children. Now available in trade paper, *Conversations with Poppi* will appeal to parents, grandparents, pastors, teachers, and Christians looking for a refreshing perspective on the mysteries of Christianity.
