LEAGUE OF GODDESSES • VOLUME 6 • JUNE 2021

## ENJOY THE SUMMER!

Ladies, it is Summertime, and we love this time of year. The longer days of sunshine, the skies appear to be a brighter shade of blue, the drinks are cold, and vacations... we love vacations!

The Goddess Gazette is taking a few months off to enjoy this fun-filled season fully. We will be back in September refreshed and ready to bring you all the upcoming news of the League of Goddesses.

We want to wish you a summer that is filled with all that you need. Here at the Gazette, we will spend more time with the family, embrace a vacation getaway, read a few more books we haven't gotten to, and spend time doing what we love. Whatever it is that you need to do to fill yourself back up... We encourage you to do more of that!

*Happy Summer, Ladies!*

## Elisha's FAVORITE THINGS

### LA PRAIRIE EYE CREAM

Elisha's favorite thing for June was the luxurious product La Prairie Eye Cream. The reviews and fans of this product go far and wide.

La Prairie Eye Cream provides instant, visible firming, and toning benefits. It minimizes the appearance of fine lines, puffiness and prolongs eye makeup wear. It is also fragrance-free, and Ophthalmologist tested.

May's winner was **Lisa Hannigan** from Jacksonville, FL. Here is what she had to say about La Prairie Eye Cream:

*“Love it so far. It’s very light and airy. It is helping my concealer go on a little smoother. Can’t wait to see what it does for my skin after a few more days. Thank you again!”*

## JUNE'S BOOK OF THE MONTH

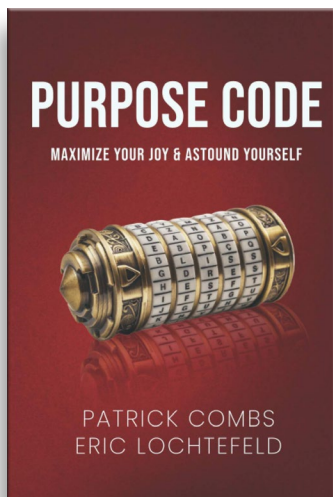

### Purpose Code: Maximize Your Joy & Astound Yourself

By Eric Lochtefeld and Patrick Combs

LOG rating: ★★★★★

*Purpose Code* is a revolutionary book that demystifies ancient wisdom and modern truths to reveal the most effective system for living YOUR purpose on every level! This book was written by two of my AMAZING Mentors for a one-year course they put on called Bliss Champions, which I was a part of in 2020. *Purpose Code* is the road map Patrick and Eric used to help us unearth and reveal each of our personal PURPOSE CODES. The journey for me produced The League of Goddesses. That being said, this book holds a special place in my heart, not only because it is packed with wisdom and a wonderful road map for anyone who is looking to add more JOY and BLISS to their life, but because following these steps has added each of YOU to my life. If you have not read it yet, *Purpose Code* is worth keeping on your bookshelf until it calls your name. Life is too beautiful to not choose to live YOUR BLISS!

XO,  
Elisha

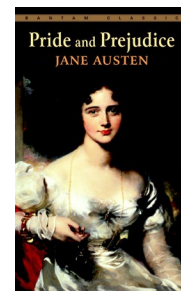

## OUR SUMMER READS!

### July

#### Pride and Prejudice by Jane Austen

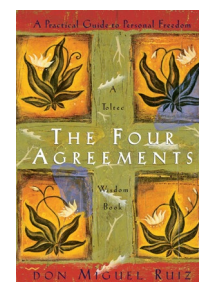

*Pride and Prejudice* is a classic that was first published in 1813. Jane Austen set the story at the turn of the 19th century, and it follows the main character, Elizabeth Bennet, as she deals with issues of manners, upbringing, morality, education, and marriage in the society of the landed gentry of the British Regency. *Pride and Prejudice* retains a fascination for modern readers, continuing near the top lists of “most loved books.” It has become one of the most popular novels in English literature, selling over 20 million copies, and continues to receive considerable attention from literary scholars.

### August

#### The Four Agreements by Don Miguel Ruiz

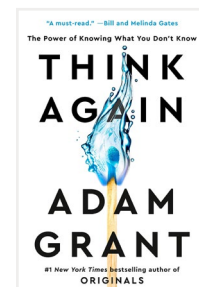

*The Four Agreements* is based on ancient Toltec wisdom, and it offers a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love. Don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering.

### September

#### Think Again: The Power of Knowing What You Don't Know by Adam Grant

*Think Again: The Power of Knowing What You Don't Know* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life. Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn.
